## HOWATT *Del Rey*

The Del Rey brings to modern archery an entirely new concept . . . a rare combination of rich beauty and stunning performance. It represents the ultimate in nearly 25 years of world famous Howatt bow design. The Del Rey offers a subtle ruggedness in the intricate blending of gentle curve upon curve and a richness of beauty rarely achieved in any woodworking craft. Each Del Rey is a tribute to the remarkable skill and superb craftsmanship of the Howatt bowmaker. It is explicitly designed and hand-crafted for those who demand the finest in target archery equipment. Available in 66" and 69" lengths for men and a 62" ladies' model. The Del Rey comes complete with a deeply padded suede fabric carrying case in royal purple.
