This ministry continues to grow.

Oaks in the News...

PHASE 2 to PHASE 3 – Our Vision for Growth

We recently restructured some time frames and goals that assist the ladies in becoming financially independent and comfortable in moving into the community.

This includes a **Budget & Credit Repair Course** with Paula Upchurch. Paula's church is becoming more involved with helping our ladies through mentoring and is helping with much needed donations.

Previously, the ladies had a 12-month timeframe at Oaks.

With cost-of-living soaring, we want to extend time frames so the ladies can continue to have a Safe & Godly Living environment.

We are noticing it takes 18 to 24 months for them to work on obtaining cars and housing. For us to continue down this path, we ask that you join us in prayer and fundraising for our vision of growth in adding a phase 3 house. This will broaden the number of women we can serve as well as meet their timetable needs more completely.
