Helping Oaks of Righteousness Make a Difference

Through your generous giving the lives of 18 female ex-offenders have been changed. They walk more closely with God and are able to transition back into society clean and sober. Because of your support, a former resident is getting custody of her three children in 2018-a family again! She is in a leadership position at work, married, and leads a sober, productive life in Humble.

Adrianna and Leticia both work in the Humble/Kingwood area and are enrolled in college.

Jayla is celebrating Christmas for the first time with her sister. Her excitement about decorating the house with Christmas lights and ornaments on the tree brought joy to all the residents and volunteers. Jayla starts job readiness training in January.

Your generous support provides personal Christian counseling for each resident. This is necessary for them to understand and process the choices that led them to drug abuse and incarceration.

Thank you to the Donors who provided funds to buy a used KIA van. Thanks to the KUMC youth who pulled endless weeds on our property and replaced the picket fence! We thank Workfaith Connection and the many volunteers who love our residents and build them up with knowledge and confidence to begin their job search.

Most of all, we thank God for His continued provision for Oaks of Righteousness through our donors. As the year comes to an end, we pray that you will become a part of God's Kingdom work at the Oaks of Righteousness. Your sustaining donation supports the transformation of many lives. To God be the glory!

Merry Christmas to all and to all a goodnight!
