

## Standard Notation Jig

- 1. The 4 string on the baritone ukulele is tuned to **D3** on the piano, in the octave below piano's Middle C (**C4**). The 3 string is tuned to **G3**, the 2 string to **B3**, the 1 string to **E4**, two whole-steps above Middle C.
- 2. The range of the baritone ukulele from the "open" 4 string to the 17th fret of the 1 string is from the piano's **D3** to **A5**. Notice how the colors of the Treble Clef notes, the Piano Layout, and the Color-Coded Fretboard Jig all match, and all represent the notes that are in the same octaves.
- 3. IMPORTANT: As with the guitar, the baritone ukulele is often played **one octave below** the written note on piano music. This is done to allow melodies fit better on the Treble Clef when using sheet music. (Doing this can allow more melodies to be played in the blue and green parts of the fretboard, instead of the higher green and maroon parts.)
- 4. Click <u>here</u> to check out the Fretboard Toolbox "Complete" and "Essential" Baritone Ukulele books. Click "LOOK INSIDE!" on any book to download all of the instructions and the Key of G Major pages for free!

Middle C on Piano

You can download FREE Standard Notation Jigs like this for Piano, Guitar, Mandolin, 4-String Bass, High & Low-G Ukuleles, Baritone Ukulele, 5-String Banjo, CGDA (Tenor Guitar, Tenor Banjo, & Mandola) & Resonator Guitar at the "FREE TOOLS" link here.
