

# SYSTEMS SALES REPRESENTATIVE

Mammoth Fire Alarms, Inc is one of New England's largest distributors of fire alarm and life safety products and services. We have been family owned and operated for over 29 years. We are currently seeking to employ experienced Systems Sales Representatives for the Worcester and Central Massachusetts area.

Position Responsibilities:

- Work primarily with Electrical Contractors for system sales.
- Review blue-prints and complete take-off from system specifications
- Enter orders placed by customers
- Conduct site visits and meet with contractors
- and much more!

Some of the benefits Mammoth Fire offers it's employees:

- Competitive Salary + Commission
- 401K Retirement
- 50% employer paid Health Insurance (Harvard Pilgrim Healthcare)
- 100% employer paid short term / long term disability
- 100% employer paid life insurance
- Aflac supplemental insurance employee paid for various options
- Paid Holidays
- Paid Sick Time
- Paid Vacation
- Company Cell Phone
- Company Laptop

We are a full service company that services customers throughout New England with a fully staffed service department here to support our sales team and customers. We are looking to expand and grow the business in these areas.

If this is a position you are interested in and are looking to work for a great company with a great team, please send your resume to [Todd Pelland](#). We will be happy to contact you for an interview.
