

## VIEWING DELTA PAY STUBS

Some pilots are not aware that they can view the pay stubs from the Disability and Survivorship (D&S) Trust online at **DeltaNet ExtraNet** (the same website that is used to check availability/list for non-revenue flights). To view a pay stub:

1. Log onto **DeltaNet ExtraNet** using your User Name (normally your PPR number) and Password.
2. Mouse over **Employee Info** and scroll down to **Self Service**.
3. Mouse over **My Pay & Taxes**, scroll over View and down to **My Pay**.
4. Under **Paycheck Information** select the year and then select the date of the check from the drop down list.

At the bottom of this page is a sample of a pay stub. Under **EARNINGS** on the left side, you will find the entries that we can explain as follows:

**PENIONOFFS:** This is the amount of Delta retirement benefits that reduce Long Term Disability (LTD) benefits on a dollar for dollar basis. It is comprised of the combination of Delta retirement benefits that were or are received as annuities or lump sum distributions (lump sum distribution from the Delta Pilots Retirement Plan, Money Pension Purchase Plan as well that PBGC benefits).

**PLTVRLTD:** The variable LTD benefit.

**PLTFXLTD:** The fixed LTD benefit.

For reference, the Monthly Income Survivor Benefit for eligible survivors is 50% of the total of **PLTVRLTD** plus **PLTFXLTD** before the reduction of **PENIONOFFS**.
