@SLSHomeStaging

Shauna Lynn Simon is an award-winning home staging industry expert and business strategist, fiercely committed to guiding aspiring entrepreneurs to achieve success in all facets of their business.

Dedicated to creating educational content that builds successful relationships among like-minded business professionals, Shauna Lynn partners with CEOs, executives and solo-preneurs to grow their personal and professional brands, one-to-one, providing real-world insights and actionable tips for building the business of their dreams.

A veteran of educating and inspiring entrepreneurs from all industries, she has built a thriving home staging and design business, voted number one in her local region, and oversees a remarkable team of home staging and design professionals. She created Styled, Listed, and Sold (SLS) Academy to provide core and continuing education for home staging professionals, and has created a comprehensive and systematic program for teaching the technical and the business side of the home staging world. Prior to founding her home staging and design company, Shauna Lynn worked as an analyst, and continues to apply her technical training in Mathematics to her every day work, combining creativity with logic to achieve incredible results.
