

Playtime with Shelly and Holly

Days: Wednesday through Sunday

Hours 8am-2pm (additional Day Stay time for an extra fee, call Shelly for details)

Price Starts at \$20 per pup for up to 6 hours and \$5 each additional hour

While here, your dog will have one on one time with Shelly or Holly. This includes walks (weather permitting) indoor playtime in our day stay area, potty breaks and belly rubs and plenty of off and on TLC.

Your pup will also get some R&R after each activity. They will be resting in one of our kennels with a heated floor, cot, blanket, music, fresh water and treats or food, if you choose to bring some.

This is great for the pup that loves human interaction while you cannot be with them. This is not for the pup that wants to play with other dogs.
