

# JOIN OUR STAFF

You are invited to come serve with us during the summer!

You have the option of coming to work one, two or even all five weeks!

We will supply each Staff member with lodging, meals, and an allowance for snack shop. Two meals will be supplied during the weekends. Each weekend, we will travel together as a Staff to different churches to promote the camp and serve together.

Depending on what weeks you can serve, we will be able to provide lodging on the weekends as well. Staff opportunities are as follows: Counselor, Support Staff, and Kitchen Staff.

One last opportunity that we offer is our **Scholarship Program**. If you apply under the Scholarship Program, you would serve as Staff for all 5 weeks. This would include working on the weekends as well to prepare the facility for each week of camp. Lodging and meals will be provided, as well as a **\$1,000 scholarship**. This program is only available to young men/ladies who commit for all five weeks. Please contact us or apply online if you are interested in any of these opportunities.
