

McDade Classical PTA presents Common Core Night 1

This presentation is the first in a 2-part series on Common Core State Standards. The speaker will take one standard each from English Language Arts and Math and show you how that standard is built upon from 1st grade through 7th grade. There will be a short question-and-answer session following the presentation.

Parents are encouraged to take the sample PARCC test beforehand. The link to the test can be found on the PTA website's Common Core page:
www.mcdadepa.org/common-core.html.

DATE: Tuesday, October 14, 2014

TIME: 5:45 p.m.

WHERE: Multipurpose Room
