

# MOON

Jasmine fills the warm night air  
Spin the bottle / truth or dare

Twelve percent albedo  
Guides us where we need to go

And we're haulin'  
Under the starry sky  
Searching  
For a clue  
Standing  
On the shoulders of giants  
Rocking  
Rolling  
To the...

Orb upon the horizon  
Opposite the setting sun

We are haulin'  
Under the starry sky  
Searching  
For a clue  
Standing  
On the shoulders of giants  
Rocking  
Rolling  
To the moon

Three days gone without a wink  
You might miss it if you blink

'Cause we're haulin'  
Under the starry sky  
Searching  
For a clue  
Standing  
On the shoulders of giants  
Rocking  
Rolling  
To the moon
