# Twin Bridges Rotary Membership Fact Sheet

## —Service Above Self—

Rotary's 1.1 million members in thousands of clubs across the world share a common vision: that we can make a difference in our community and beyond.

## —Giving Back—

As a Twin Bridges member, you're able to utilize your strengths to give back to our community. We organize a number of charitable events that impact the community including holiday breakfasts and building beds for area kids that don't have one. Also, through Twin Bridges Rotary Foundation (TBRF), a 501(c)(3) organization, we're able to fundraise thousands of dollars each year that we give back to the community through Ronald McDonald House, CAPTAIN Community Human Services, To Love a Child, local food pantries, and many more, enabling those organizations to better fulfill their missions.

## —Expectations of Membership—

At Twin Bridges, we expect that you'll act with the highest ethical standards and will be engaged in our efforts to bring goodwill to others. In order for Twin Bridges to provide the highest level of service to our community, membership requires a good faith effort to attend meetings and participate in our discussions and events.

## —Financials—

Annual Dues \$200 One-time Application Fee \$40

We also respectfully request that each member make an annual donation to the Rotary International Foundation. You can donate as little or as much as you'd like.

## —Rotary Four Way Test—

- Is it the truth? – Is it fair to all concerned? –
- Will it build goodwill and better friendships? –
- Will it be beneficial to all concerned?
