March 2019 President's Message

Well anglers, Fred Hall Long Beach is over. Most of you have gotten some new gear. If not, and you want to make the drive, Fred Hall Del Mar awaits. It's a smaller show and a few vendors who don't make Long Beach are there, but you can still get good deals from the vendors. Turners usually has a rod special here and this is where I pick up a lot of the rods for the awards banquet. If you go to a show and see Turners, stop in and say hi! They support our club.

Our first club sponsored saltwater trip is 5 weeks away! I'm looking for 9 anglers to help fill out our first trip! The other trips are filling out nicely with a few on standby already. Time to go fishing. Get a friend and get on board. Early reports indicate the fishing will be great this year. Western Outdoor News (WON) is showing large reds and lings being caught and the first white seabass has already been taken. Step up and fish!

Our trips are open and beginning to fill up **FAST**. The June Dawn and Sea Jay are full, but I will take STANDBYS, while the Betty O only has a few spots left. Time to sign up! So, get your money in so you can be aboard when the fish start biting. The trips are being purchased daily but as of my writing this, the information is correct. Our trips this year are:

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate

The *Coastal Conservation Association* (CCA) was initially created in 1977, after drastic commercial overfishing along the Texas coast had decimated redfish and speckled trout populations. A group of recreational anglers gathered to create the *Gulf Coast Conservation Association*. Only four years later, gill nets along the Texas coast were outlawed and both red drum and speckled trout were declared game fish. The successful conservation movement that started with the "Save the Redfish" campaign got the attention of anglers across the Gulf and by 1985; chapters had formed all along the Gulf Coast. CCA continued to grow within the South- and Mid-Atlantic regions in the 1990s, and now have chapters formed up and down the West Coast. There are now 19 states with 226 local chapters that have a growing membership of 126,000 members.

CCA will be operating a kid's ocean trip this April aboard the Monte Carlo out of 22nd Street landing on Tuesday April 16, 2019. The boat leaves at 6am and I'll be asking for volunteers to help with the kids.

CCA also has a fund-raising Bar B Que the **Third Saturday in May** at the Long Beach Rod and Gun Club. More information will be made available as it is received.

If you didn't join at Fred Hall, NOW is the time to support our sport!!!!!!

Well our year is underway. Time to get out there and fish. Send your pictures to Warren for the Whopper Board and your pictures and stories, fishing, vacation, etc., to Sam for the newsletter.

Bring your friends and fellow anglers to a meeting and on a trip. I'd like to expand our fishing and membership in order to expand our fishing and club opportunities

checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

2019 Membership Drive

The 2019 Membership Drive is on!!!! Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2019 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2019, your 2018 membership card is void. In order to receive the discount, a current 2019 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

Fresh Water Event Update

Surf Fish and Fresh Water Spring Schedule

March	Saturday 23 rd	Castaic Lake
April	Saturday 20 th	Lake Perris
May	Saturday 18 th	Castaic Lake
June	Saturday 15 th	Lake Silverwood

Hi everyone, we had a great morning for our surf fish trip on February 23rd. Ron Hall, Jose Dominguez, and myself showed up for a nice morning on the beach. Conditions were near perfect, sunny and clear, an incoming tide, but a little cool at first. We all caught a few fish and that qualified us for this years " WHOPPER BOARD ". This months fresh water trip is planned for Lake Castaic on the 23rd. Fish either the lagoon or the upper lake.

Come to next weeks meeting to sign up or give me a call. Weather permitting we should have a good trip. Dave

These trips are open to all club members and your guests. There is no cost involved other than beach parking and entry into the lakes.

Only game fish are eligible for the five fish jack pot entry. The total weight of up to five fish will be your entry. Surf fish only Corbina, Perch and Halibut. No Sharks or Rays. Fresh water Trout, Small Mouth Bass, Large Mouth Bass, Stripers and Cat Fish. No Carp or Gold Fish. You can use either natural or artificial baits.

Start any time after the lakes open or 7:00 am for surf fishing. We usually fish the lakes until 2:00 pm and surf fish until noon or until high tide.

If you are interested in going on these outings and have never been before, let me know and if there is enough interest, we can have a Saturday morning get together to discuss tackle and techniques.

Remember, everyone is welcome to participate. That means bring your kids, grand kids, great grand kids, friends and neighbors.

All of the lakes have boat launching, boat rentals, shore fishing as well as float tube and kayak access. One last note, if you are a boater bring a non-boater member with you.

See you at the meeting, Dave

I went back to the scene of the crime, but the trout did not bite for me.

I had to settle for this green fish! She is a bit under 10Lbs.

PS, I left her where I found her, they don't taste as good as trout!

Joe was bummed his was about 12, that is twelve inches. We caught for four LMB while hunting trout.

Miss Pinky was killing them! Too bad, no trout. I did get 5 stripers, so fish & chips was back on the menu!

They are out there! See ya on the water

I caught a big LMB once before.

I know I had first place on lock that year, but three people caught big bass that year!

That one was on a rubber trout at Casitas.

It might be a big year for big bass. Joe was as green as that bass!
