

AREA 51 LUCIFERIAN SIGNATURES

The purpose of this chart is to highlight the various mathematical measurements of the Eye Pyramidion of Area 51. Those within the military and Black Ops are well aware of the occult nature of ancient knowledge of the Watchers or Fallen Angels that the Bible describes are in open rebellion against the Creator YHVH. Lucifer is the Anointed Cherub that has devoted such motifs and the application sacred geometry to further his plans on Earth. His is using Humanity, those that are willing and his 'Aliens' and demons to abduct for the continued perfection of their genetic manipulation to deface humanity of its humanity— as in the Days of Noah. The religion of Lucifer has unique and designated emblems that are used in sacrificial rites and rituals to energize their domain and minors to further their diabolical plan to overthrow the Creator, YHVH. With the alliance of reprobate men and women, certain places and times are thus needed to harness the Earth's grid lines. These places function as a fusion where the time-space continuum can be manipulated and pierced.

The ley-lines, sacred geometry provides the needed synchronization of desired frequencies to operate in that involve the Fallen Angel, demon and Grey technologies through the paranormal phenomenon.
