"Happy"

It might seem crazy what I'm 'bout to say
Sunshine she's here, you can take a break
I'm a hot air balloon that could go to space
With the air, like I don't care baby by the way
Huh, because I'm happy
Clap along if you feel like a room without a roof
Because I'm happy
Clap along if you feel like happiness is the truth
Because I'm happy
Clap along if you know what happiness is to you
Because I'm happy
Clap along if you feel like that's what you wanna do

Honor Our History & Our Future 2020-2021 Brandeis Phoenix Board Intro to the Formal Board Installation

We would like to introduce ourselves as Sue Karp and Vicky Leavitt (otherwise known as "best buds"). We are here today, via Zoom, to show our appreciation, trust, and enthusiasm to the "relatively new 2020-21 board".

Sue and I both have an intense love of flowers, gardens, horticulture, and color, so we decided to use a "floral theme" throughout our Brandeis installation speech.

Quoting from the wisdom and humor of Erma Bombeck, a treasured Ohio and Arizona humorist, who once said..."Some friends are "annuals" that need seasonal nurturing to bear blossoms. Other friends are "perennials" that come up year after year, enduring the droughts of absence and neglect. There's a place in the garden for both of them."

Honor Our History & Our Future 2020-2021 Brandeis Phoenix Board The BNC Phoenix Board is a Garden

This is how we see the new BNC board, as a beautiful floral garden. Some members firmly planted and always growing, blossoming, and developing and others always re-seeding for another time. How totally appropriate in the Fall of 2020 to continue our new, diversified, and vibrant garden.

A Word About the 2019-20 Board...

As we fondly look back at our past year, 2019-20, we remember how much we enjoyed and appreciated each and every individual flower. Their hard work and diligence were so appreciated. And Judy and Marcia facilitated a quick and easy Presidential transition during Corona virus times.

Now, for that fast start garden that showcases re-birth, fresh growth, re-seeding, new surprise buds, and the future 2020-21 Phoenix Brandeis Board.

Honor Our History & Our Future 2020-2021 Brandeis Phoenix Board Members At Large Formal Installation

We start working ground up again with our plants; beginning with the ground cover, who will be our "Members At Large". The flower garden begins growing with this essential group. The following people are among those fresh starts:

Helen Abrams Hannah Meyerson

Laurie Burns Andie Morrison

Joan Davis Martha Patrick

Nyles Gradus Gail Tenn Patti Grossman Gail Vinik

Toni Leonard Nan Waldman

Ruth Lerner Lyn Walter

We announce that you are all now formally elected to the new Board and are already working on your portfolios.

Honor Our History & Our Future 2020-2021 Brandeis Phoenix Board Chair Formal Installation

Now, for our new "annual" planting which will be our "Chair" positions. We selected diversity, strength, and vibrant colors for this extensive group.

Chapter Registrar - Nurit Burrow

Community Outreach Co-Chairs - Wendy Cohen and Ellen Kirschenbaum

Corresponding Secretaries - Joyce Grant and Judy Krockey

Recording Secretaries - Bonnie Furst and Vicky Leavitt

We announce that you are all honorably elected to the new Board.

Honor Our History & Our Future 2020-2021 Brandeis Phoenix Board EVP & VP Formal Installation

Now again, the most vital and critical part of the garden are the "Perennials". Their dedication, variety, attributes, and strengths characterize the "Vice Presidents" role. We know each person will lead the way and be a source of inspiration for all who aspire. They will set the pace and course of our chapter. Here are the names of our "Vice Presidents".

Executive Vice Presidents - Leith Baletin and Ellen Widoff

VP's Book & Author - Nancy Sacks and Iris Wigal

VP's Membership - Gale Gradus and Carol Kadet

VP's Programming - Terriann Kleiner and Carol Abrams

VP Strategic Planning & Training - Joellyn Pollock

VP's Study Groups - Stephanie Klopper, Joyce Steinberg, and Barbara Stern

We announce that you are now formally elected to the 2020-21 Brandeis Board.

Honor Our History & Our Future 2020-2021 Brandeis Phoenix Board "Appointed Board Members"

And now, it is a very special honor to announce our "Appointees". This group includes:

Paula Eckstein Sue Lawler

Bruce Galin Sara Leopold

Sue Karp Irene Lubin

Carol Kern Ronee Siegel

Kathleen Witkin

We trust in their sage experience and special guidance.

Honor Our History & Our Future 2020-2021 Brandeis Phoenix Board Presidents Formal Installation

Now for the best of the best, our beautiful new "Presidents" who have been selected for their rose like qualities of love for Brandeis, deep compassion, unyielding strength, and intense vibrancy.

In keeping with the rose theme, Gertrude Stein famously says in her 1913 poem, "Rose is a rose is a rose." This has been interpreted in meaning that "things are what they are". This perfectly describes our new "Presidents" as they are "exactly what they appear to be". What a delight!

It is with great pleasure that we announce to you Janice Lebovitz and Linda Ullman. Our new "Presidents" for the 2020-2021 Phoenix Brandeis Board.

Let's give them a warm round of applause.

Jan and Linda have impressive backgrounds and families that we are sure you have read in the bulletins! And a special thanks to their husbands, Michael and Robert, for being our MC's tonight.

We are so very lucky to have them leading our chapter during these unprecedented times. Their love of family, including their Brandeis family, can especially be felt now!
