Dorland Mountain Arts Colony Presents:

"Journal to the Self"

Presented by Renee Cassese

A certified Instructor of Journal to the Self Workshops through the Center for Journal Therapy.

Treat yourself to a little self-care in the New Year!

Date: Wednesday, January 31, 2018

Level: All

Time: 10-12pm

This two hour workshop will introduce participants to the benefits of personal journaling and present several techniques to help journalers get their thoughts out on paper.

Some of these techniques include stream of consciousness writing, anaphora, thought maps, lists, letters and more. Participants will have a chance to write and do optional sharing during class.

For those interested there may be a series of four workshops as a follow up that will go into more depth on specific techniques and give participants more time to write on their own.
