2021 Tryouts

PLANS FOR THE FALL 2021 SEASON

The SES is pleased to announce plans for the Fall 2021 Season. Due to the pandemic, SES will avoid the large gatherings that our typical tryout process would require. We want to prioritize public safety at this time and will work within a modified process to place players on our travel team rosters. Below you will find detailed plans for a Grade 3-8 Travel Soccer.

GRADES 3-8 - BAYS TRAVEL SOCCER (BOYS AND GIRLS)

10 week season running Sept to Mid-November. Teams will practice 2x/week and have games on Saturdays. Rosters will be formed through the two pathways outlined below. New and current players will be emailed their team placements by 06.25.21.

CURRENT SPRING 2021 PLAYERS

Due to the pandemic, players on our Spring 2021 rosters will not be required to tryout. Fall 2021 roster placement will be based on Spring 2021 Coach Assessments. In order to be considered for placement on a roster, players must register for the Fall 2021 season by Friday 06.11.21. Email will be sent to all current SES players with registration instructions on 05.12.21. Note that placements are not guaranteed but every effort will be made for current players to play on a team.

NEW PLAYERS

New players will need to sign up (<https://go.teamsnap.com/forms/266499>) by Monday 05.17.21 and attend tryout on Sunday 05.23.21 (see schedule below). Boys and girls are at the same time but will tryout separately.
