

## **THE GOOD STUDENT AWARD**

The Good Student Award recognizes those players whose spouses either really love them enough to let them golf on Saturday or just want them out of the house so they can get some peace and quiet.

The players who not only were good students but had perfect attendance are

**TONY CLINGMAN**

**GARY KOCH**

**MATT QUINN**

**STEVE VAN NORMAN**

Tony and Gary are new members. Tony joined in 2025 and Gary in 2024. Thanks for being consistent participants in tournaments. Steve always shows up and we are glad for it. I can count on one hand the tournaments he's missed since he joined the club in 2013. As for me, I was there anyway so I might as well play.
