

Do Not Be Concerned

I feel strongly to encourage you, “Do NOT be concerned.” Do not be concerned about what you need or what you are seeing. He will supply everything you need when you need it. He who works within you will do it. (Philippians 4:13).

The weekend word is a call to remember that in Christ you can do it. For with Him, all things are possible. The LORD will work out the details of His plans you. Faithful is He that calls you, who also will do it. There is no part of your destiny that He will not continue and complete His work!

It was His hands that fashioned and made you altogether, and would He destroy you? Grab hold of the truth. His faithful love towards you endures forever. He won't abandon you, for He made you.

Do not be concerned about what you see. He sees the condition of that relationship. He sees the condition of your family. He sees your disappointments. He sees those broken relationships. He sees the condition of your heart. He sees it all!

Even though things may not feel like it right now, He is at work. Waiting on Him to complete it, is worth it. Just keep your eyes on Him and not on what you see (1 Corinthians 1:30).

The LORD will fulfill His purpose for you. His steadfast love towards you endures forever for He will not forsake the work of His hands!

I keep hearing....”My grace is sufficient for you. My grace covers you. My love for you is more than enough” (2 Corinthians 12:9).

Don't let concern over life's current direction hinder you from moving forward in Him. Keep your eyes on Him and watch what He will do for you. After all, He orders your steps and will continue to direct your steps because He loves you (Proverbs 3:5-6).

Don't be concerned!!!! Walk in confidence that He who began the good work in you will continue to perfect it until the day of Christ Jesus. That includes every trial you are walking through!
