

Hello ABATE members. I have some new members this month to get in and a BIG THANKS FOR GIVING A SHIT. Ricky, Jeff, Connie, John, Scott, Clayton, Matt, Randy, Joshua, Katherine and Joann and I hope being a new member you become a part of the Great Family that we all are. We know how to have fun camping and have a good spread of food and a Big Bonfire, sometimes to sun rise. Oh Ya, also some good rides and lots of fun going on some dinner rides.

It is a bummer to say they had to cancel the Freedom Rally for now because of the virus, the new date as far as I know, is Sept. 29th unless it gets changed again or I heard wrong.

Now back to the virus. I watched on TV that there is a lot of Heroes but people like Nicki who works at Kroger's deserve some Big Hero credit also. Without these Hero's going to work in public dealing with a lot of people each day, things could get tough without food or T.P. - that would suck.

Ok now on to birthdays. I heard Barbs birthday was back on May 1st, remember you don't ask a woman her age, and Frisco July 5th, A big Happy Birthday to them Both. Oh, wait a minute there is more Tina July 31st and Mike C. Aug 21st by god that Mike fellow is getting old.

I do tree work, I'll see if i can cut him a walking stick. Also, Mike Y. Chains Big Birthday May 23rd and Sass Cameron July 13th and Kevin (Spanky) Aug 22nd A Big Happy Birthday to everyone and whole bunch more to come. That is, it on birthdays right now I am getting writer's cramp and I still have more stuff so bear with me.

Ok dinners rides that I do to Ohio, since Ohio restaurants are opening has been a big success I was surprised on the turn out and if you are one of those who went and you read my newsletters Thank You!

Ok now on to a great job Crash is doing on support of senate bill 528. He gave us some good literature and good advice to follow through with. And I know he is going above and beyond with this. The guy is amazing when it comes to this kind of thing. Good job Adam.

Ok people hang in there a little longer. Great job Sass on the bottle drive and to Brian, you guys kick ass same goes with that yellow toilet thing I am laughing in my head thinking of it now. And also, while I am writing about Sass the Ace's & 8 Poker Run is Aug 8th with the same kick ass band Armed and Dangerous. By god that is a great band don't miss this people if you do you miss great entertainment.

Ok I think I am getting close just hang in there almost done it ain't easy to write all this down I have to expand my mind to cruise through this stuff L.O.L. I'd just like to mention what a great job Crash's son Clay did at the meeting today he needs a big that a boy.

Ok now on to Dan Dan's coast to coast run this will be over the end of next month so jump on this real quick. This is to help ABATE in general, don't think about it, if you can find the time and do it. Take the time off and come on this one, it will may not probably happen again. Don't pass this one up. It is July 24-26 from William C Sterling State Park to Vanburen State Park - 3 stops along the way there and the same goes on the way back but different stop's and route, camping both nights: call Treeman 1-734-497-8430.

Ok now it is time to wrap this up. Just like always please pray for our ABATE members that need our prayers. Tonight, I would like if we can aim an extra prayer to a very good friend that always gave me respect and to me respect goes a long way. God bless you Kevin H. I love you bro always. From the Heart
