

Supplied with Abundance

“For in him you have been enriched in every way—
in all your speaking and in all your knowledge”
(1 Corinthians 1:5).

God is wanting you to hear Him and trust Him. He doesn't set you up for failure – He wants you to take your proper spiritual place as you are here on this earth.

God says:

“You are supplied with abundance as I continue to add greater value and significance to your life. This is part of your proper, spiritual place on earth. I am calling you to walk in the enriched state I have provided for you. Trust Me precious child. I am improving and enhancing your life. I am bringing better quality to every aspect of your life. Look carefully at things I have done in the past. I mean what I say. I have abundantly supplied you in every way.”

Truth- you are abundantly supplied and abundant supplies belong to you in any situation. The word enriched in every way is not a play on words. It is the truth and it already belongs to you. Many times in life we forget this viable truth — the grace of God is always available to us and for us. We have been enriched in every way (from our speaking to our knowledge). Do you hear Him? This is part of your proper spiritual place on earth as He calls you to walk in the enriched state He has provided for you. Look at what “Enriched” in this verse means:

Improve

Enhance the quality or value (means to add greater value)

To improve the quality of (something)

To make (something) better

To improve the usefulness or quality of (something) by adding something to it

Abundant supply

Only sometimes we forget what is really available to us. You are enriched in grace in every way. The good news is that when we are walking in God's grace we will never feel powerless in the face of adversity or challenges. Without a doubt you can experience victory because of the resurrection and you are enriched in every way.

This means you are enriched with righteousness

You are abundantly supplied with holiness.

You are abundantly supplied in redemption.

You are abundantly supplied in grace.

You are abundantly supplied with His strength.
You are abundantly supplied with discernment.

Shall I go on? Abundantly supplied means you have abundance in whatever you need!

Friends, if it's in the Bible, you are abundantly supplied with it! God's word really does have the answers for everything in life. God has an answer for anything and everything you face. Without Him you will never truly be successful or an overcomer. If Paul was confident that he could trust God to complete that work, why can't you? You are abundantly supplied with hope, faith, perseverance, etc.

We have to come out of that place of agreement with the things that are speaking opposite of God's Word. When we do this, truly we will be able to see just how "abundantly supplied" we are every day in every way!
