NOTE FROM THE MAYOR

This message is very bitter sweet as I relinquish the job of Mayor to Lamar Guymon. I have really loved being your Mayor for the past 10 years, and I hope that some of the changes you have seen have benefitted everyone. Change is always challenging and this will be no exception. Lamar will be a great leader for Huntington and I know he is very well supported. Thank you to everyone for all your service and dedication. Wishing you all a joyous Holiday Season!

ARE YOU PREPARED FOR AN EMERGENCY?

In extreme cases of emergency Huntington City has a backup generator at City Hall and at the Fire Station. It is important to have a safety kit in your car in the winter or summer. A few important items would be jumper cables, blanket, flashlight, gloves, water, and kitty litter or something to help when stuck on ice, just to name a few.

HUNTINGTON CITY CHRISTMAS PARTY

The City Christmas party is Thursday December 7, 2017 at the Huntington Fire Station. Beginning at 4:00 pm with an early arrival of Santa, dinner will be served at 5:00 p.m. until 7:00 p.m. Come and enjoy a night of fun. There will be activities for the kid's. We will be serving barbeque sandwiches and pie.

The City Council voted to bill Secondary water monthly instead of annually. Beginning with your January 2018 water bill, secondary water will be included.

Because of last year's success on 100 West, this year the snow will be pushed to the middle of the road with a few exceptions on narrow streets. We can do a better job for you if you prepare for the snowplows. Remove vehicles and trailers from the streets.
