Important Report Card Dates:

- Marking Period 3: April 20, 2018
- Marking Period 4: June 22, 2018

Please note that the end of the grading period occurs the day before report cards are available on the parent portal. This allows the teachers the opportunity to finalize any assignments that must be graded and recorded, along with submitting the final grades for each grading period. While the parent portal will be open to the parent/guardian, the grades will be posted on the date mentioned above for each marking period, after the school day has ended.

If you have NOT registered for the Parent Portal:

- Please go to our district website www.valleystreamdistrict24.org and visit the parent portal
- By visiting the parent portal you can click on the eschool link, once connected follow the step by step prompts to register
- If you are having difficulty with registration please contact your school's main office, we will gladly walk you through the process (step by step directions of registration can be found on our website in any language)
- Please remember you will not be receiving a printed version of your child's Report Card
- If you do NOT have access to wifi/computer/printer please contact your child's principal

It will be necessary for you to register on the parent portal in order to receive your child's complete report card.
