Re: Sponsorship Opportunity:

Dear Partner:

The Texas Youth Ranch Rodeo Association (TYRRA) is a non-profit organization founded on the belief of promoting youth leaders and teamwork, that of gaining knowledge of the equine world, and their own western heritage. The association was constitutionalized on the idea of giving back to the youth of today and the leaders of tomorrow, our future.

During 2022 the TYRRA had 400 youth members who participate in nine rodeos. Each of these members is accompanied by at least two adult consumers. This creates a customer base of approximately 2,000 shoppers in one place. The 2023 season is expected to grow by ten percent as a result of increased youth interested in participating and enjoying the benefits they will receive as a TYRRA member.

The TYRRA Board of Directors, made up of 40 volunteers, is seeking support from you by way of monetary donations.
