

Americanism May 2024

Did you see that year fly by? I apologize for the last few months with no bulletin. Work has been in a tizzy and I have my last child graduating. As I reflect on the year that started slow and then came before I could say May. I wanted to thank each and everyone that participated in the Americanism program. Some of you were working hard in your schools and other had the Juniors working hard as well. I received so many reports before the May 1st deadline. Thank you all for the hard work and dedication you have made the Auxiliary shine!!

I received 26 essays and sent two of them off to national. I will get the awards for those that sent me one at Convention. You wanna talk about a bright future, I think we are in good hands!!

Happy May to you all that will be working the poppy program and showing your respects to those who have fallen!

Did you know?

Memorial Day was originally known as Decoration Day. It became Memorial Day after WWII.
