Experience

BCA has worked closely with many communities throughout the state of Georgia in developing projects from vision to reality, from grant application development to construction completion. We have a close working relationship with the Georgia Department of Transportation, the Atlanta Regional Commission (ARC), and the Department of Natural Resources (DNR).

BCA has extensive understanding and experience with federally funded programs such as:

- ❖ Transportation Enhancement (TE)
- ❖ Livable Centers Initiative (LCI)
- ❖ Congestion Mitigation Air Quality (CMAQ)
- ❖ High Priority Projects (HPP Federal Earmark)
- ❖ Recreational Trails Program
- ❖ Land and Water Conservation Fund
- ❖ Urban Forestry Commission

Our management services take projects from conception to construction. We are a full-service management team with experience in all phases of the Plan Development Process (PDP) process including:

- ❖ Grant writing
- ❖ Public involvement
- ❖ Concept plans
- ❖ Environmental documentation
- ❖ Design and engineering
- ❖ Right of Way
- ❖ Bid Administration
- ❖ Contract Execution
- ❖ Administration of work by all development team members (such as, surveyors, appraisers, engineers, architects, landscape architects, and general contractors).

We assist our clients to turn their visions into feasible projects, help them find the money necessary for developing the projects, and provide ongoing assistance through construction completion.
