

Wyoming Pupil Transportation Association

To Vendors and Associates supporting the Wyoming Pupil Transportation Association;

The Wyoming Pupil Transportation Association (WPTA) Board of Directors would like to inform you that our annual WPTA vendor trade show is scheduled for:

Tuesday, June 30, 2026 1:00 - 5:00 PM

**NEW VENUE: [the Ford Wyoming Center in Casper, Wyoming](#)
1 Events Dr, Casper WY 82601**

Set up time for the show will be available from 9:00 – 11:30 am on June 30th and the show will start at 1:00. The trade show is intended for transportation directors, mechanics, drivers and business administrators from around the State of Wyoming to see new and existing products and ideas available for school transportation. These are the people directly in charge of purchases for their transportation departments. We are looking forward to seeing you and your new technology and ideas displayed at the show. More information will be forthcoming as we finalize this event.

The WPTA would like to express sincere appreciation for your past support. Your promotion has allowed us to provide services to our membership that we would not be able to do without your contribution and support.

Sponsorship can offer your business the benefits of potential statewide advertising; not only at WPTA sponsored events, but also by giving your business exposure on the WPTA Web Site (www.wpta.net). We anticipate 500+ registered users on the site consisting of supervisors, directors, superintendents, business managers and other transportation personnel. This advertising targets the people who are in a position to purchase your products or services.

Along with the tangible benefits of sponsorship, your business can take pride in supporting pupil transportation in the state of Wyoming.

Thank you in advance for your continued support and if you have any questions, please don't hesitate to contact us. Sign ups and [the sponsorship application](#) can be found on our website and by [clicking HERE](#).
