

El Santuario de los Pobladores — Dedicated to the Mysteries of the Rosary

Our promise and dedication towards completing the Santuario in honor of Our Lady of Guadalupe and Mysteries of the Rosary perseveres and each day brings us closer to its completion. Gravel has been spread in front and around the east and west sides of the labyrinth. Trees (6) have been planted. As donations are received, more trees will be placed. We have also planted shrubs and flower bushes and surrounded the area with gravel. Adobe dedication plaques are now in place in the labyrinth courtyard and placement of plaques continue. Once all these are in place, merchants who have supported our project, will also be acknowledged. Each outlying mission will have its own mission statue displayed when funds are available. Please support the volunteers seeking contributions from your placita. Your continued patience & cooperation is greatly appreciated as we work with volunteers in this phase of our project. St. Augustine & Holy Family statues are now in place at the Santuario. In addition, statues of Our Lady Of Guadalupe and St. Juan Diego will be placed at the entrance and donations are

being accepted to being this phase. Placement of new trees will also be available to contributors interested in dedicating a tree in memory of a family member similar to what now exists on Veterans Boulevard entering the Village of Conejos. We want to acknowledge the generous contributions we have received to keep the project moving along- monetary contributions & volunteer time. Your continued support and prayers are greatly appreciated. Tours are available. Please call the church in advance, if possible. Thank You!

MASS THEME

Theme: What Makes Life Meaningful?

Life makes sense only if we can relate it to lasting values. If persons seek only values that perish, they will never be satisfied. Money and all that it can buy cannot impart lasting happiness. Think of the high suicide rate among the wealthy! Life is meaningful insofar as it is related to others: fellow human beings and ultimately God in Christ Jesus. Think of people who have meant something to you in the past. These people, parents, teachers, sisters, brothers, friends, partner in marriage, and finally Jesus Christ himself, have all contributed to whatever you are now as a person! Remove one person from this list and you would be different, perhaps less fortunate. The lesson for the future is obvious. Go on building communication with others. In love, friendship, and dedication relate to others, and do not overlook your direct relationship with God-Jesus Christ through prayerful Bible reading and regular worship with fellow Christians.

BIBLICAL COMMENTARY

FIRST READING Eccl 1:2; 2:21-23  
[The Folly of Vanity]

When we read the Bible, we expect "Gospel," which means "good news." On first reading this passage, we would be inclined to characterize it as bad news. "All things are vanity." If life is an absurdity, why go on living it in the first place? Actually, this passage is a very strong statement of what human life is without God. Only if we relate life to God directly in prayer and worship and indirectly in meeting him in other human beings does existence make sense. "If today you hear his [God's] voice, harden not your hearts" (Responsorial Psalm).

SECOND READING Col 3:1-5, 9-11  
[Christ Our Life]

Our friends and those with whom we socialize can have a great effect on us either for good or for evil. Thus, we advise youngsters to get out of the wrong gang. Good friends, however, have an uplifting impact. Paul expects a similar effect from our being in company with Christ: "Seek what is above." In baptism, you have died to selfishness and sin. But this dying to evil is an ongoing process which results in growing into the image of the Creator. Remaining in Christ's company makes life meaningful (First Reading and Gospel).
