The Commissioner is authorized to modify these regulations when it is deemed necessary by the Commissioner, subject to ratification by the Board of Directors.

2. ELIGIBILITY OF STUDENTS

All participants must be eligible under the Bylaws and Sports Regulations of the OHSAA.

A student who uses anabolic steroids or other performance-enhancing drugs is ineligible for interscholastic competition until such time as medical evidence can be presented that the student's system is free of anabolic steroids.

3. DIVISIONS

There will be two Divisions in the Sectional, District and State Tournaments for Bowling, both boys and girls.

4. ENTRIES

Schools shall transmit all entry information to the manager of the sectional tournament to which the school has been assigned by the District Athletic Board as per the instructions from each Board. Member schools wanting to participate in the 2019 OHSAA bowling tournaments must indicate their intent to participate on their 2018-2019 OHSAA sport participation form on myOHSAA. Tournament entry confirmation ends January 28, 2019 without penalty.

Each school may enter one girl's team and one boy's team (eight participants per team).

*A contestant who starts on a team in a sectional, district or state tournament must continue until that respective tournament is completed.

Substitutions may be made prior to the start of the next level of the tournament.

5. SUBSTITUTIONS

Five bowlers compete at one time on a team at each tournament level. There may be up to eight participants listed on a team's roster. The roster/lineup must be given to the tournament manager prior to the start of tournament play. Substitutions may be made in the Sectional Tournaments according to the sports regulations for bowling.

A school that **SPONSORS** girl's bowling, has less than five girls participating and was unable to field a team throughout the season may permit the girls to participate with the boy's team during the regular season, and the girls will be permitted to enter and compete as individuals in the OHSAA-sponsored girls' tournament competition. The maximum number of individual bowlers that may compete in the sectional tournament from a sponsoring school is **four**.

A school that does not sponsor girl's bowling but has girls participating may permit the girls to participate on the boy's team, but they must enter the OHSAA-sponsored boys' tournament competition. No student may enter both the boys and girls state tournament.

6. SEEDING AND DRAWING FOR SECTIONAL TOURNAMENTS

Coaches shall be notified when the draw meeting is scheduled so they may be present to help with the draw in the Sectional Tournaments. It is the responsibility of each District Athletic Board to determine the number of qualifiers from the sectional tournament to the district tournament. Advancement of teams to the state tournament is based on a formula that takes into account the number of school teams that participate in each of the OHSAA's six districts.

7. FAILURE TO APPEAR

When national playing rules do not address failure to appear, the following regulations will apply.

A. If a team or individual participant fails to appear or is not ready to compete at the time of their scheduled competition, the team or individual participant shall be disqualified and removed from the event or tournament competition.

All decisions relative to this regulation shall be made by a member of the respective district athletic board and/or the OHSAA Executive Director's Office.
