Meet Your PTA Board

Anna Booth, President

Hi, I'm Anna Booth, and I'm honored to serve as your PTA President. I've been involved with the PTA for seven years and on the board for five, taking on various roles before becoming President two years ago. I first joined when my son started kindergarten because I believe it's important to be involved in our children's education and school community.

I have two children—a 2nd grader in Mrs. Mann's class and a 7th grader at Hazelbrook Middle School—and my family has lived in Tualatin for the past ten years. Outside of the PTA, I'm a therapist with a private practice in Lake Oswego. When I'm not working or volunteering, I love spending time with my family, whether we are hanging with friends in our backyard or attending a Duck game at Autzen Stadium. I also do my best to stay connected with our Tualatin community.

One of the things I'm most grateful for through my time in the PTA is the friendships I've built with other parents and staff. Being involved has not only allowed me to make a difference in our school but has also connected me with so many wonderful people who share the same passion for supporting our kids. As my time as President comes to an end, I'm excited to pass the torch to our new co-presidents. I know they will continue the PTA's important work, and I look forward to supporting them and staying involved in our amazing school community."

STREAM NIGHT DONATIONS NEEDED!

STREAM Night is coming up on **April 25th** and we are in need of donations to fill our pinatas.

Please consider donating:

- Individually wrapped candy
- Small toys
- Games
- Anything fun for kids that will fit inside the pinatas!

We are also in need of food donations from local restaurants and/or monetary donations to purchase food for the event. If you have any connections to restaurants, food trucks, and businesses that can help, please contact the front office. We can provide a donation receipt and the school's Tax ID Number. Thank you for your help making this a special event for our students and families!
