2007 Trojan Football Seniors

returns for his senior campaign ready to compete for a wide receiver position. A tireless worker and a great knowledge of offensive system will make Eric an important member of the offense this season

is another senior receiver working hard to break into the starting line up this fall. A team player through and through, Je  
young man who will represent the Trojans with all he has.

is yet another senior receiver competing to win a starting position as a receiver for the Trojans. The Trojans are looking forward to the contributions Arturo will bring to the team for the 2007 season.

returns for his senior campaign in the best shape of his career. Finishing strong last season in the playoffs with nearly 800 rushing yards, Chris will be a great leader for our team this fall. His ability and work ethic will make Chris one of the best players at his position in the state.

a returning two year starter coming off an outstanding junior season at nose guard. A very quick and athletic player, Eric Marshall will help the offense this season with some play at fullback. Look for some great plays from number 7 this fall.

moves from wide receiver to defensive back this season and has shown great promise at both corner back and safety. A  
c player who needs practice time to enhance his experience on the defensive side of the ball, look for some great things  
this fall.

returns to start his third season at quarterback for the Trojans. A very gifted young man with amazing field presence and leadership ability, Mark will look to pick up where he left off last season, completing nearly 70% of his passes and leading the Trojans to another championship. One of the best to wear the Trojan maroon and white.

s working hard to earn the starting cornerback job this fall after playing a variety of rolls last year for the Trojans. A hard  
, hard hitter, Nick brings a great toughness mentality to our secondary and our defensive unit. Also a valuable special te

s working hard to impact the Trojans this fall at tight end. A returning starter who suffered a mid season injury last year to make his way back onto the field this fall along with a talented tight end corp. A solid blocker with a good knowledge of the system, Jake will add value to the offensive unit this fall.

returns playing a variety of receiver positions for the Trojans. Finishing the championship campaign last season on fire with 10 TD receptions during the playoff run, Dallas will be a big, athletic target for the Trojan offense this fall.

o is a very accomplished track athlete and long jumper who looks to bring his athleticism to the gridiron this fall. A  
ndously explosive athlete, Alonzo has a chance to be an impact player for the Trojan offense this fall.

s a returning starter at wide receiver who has been spending some time in the defensive secondary this fall. Toughness and aggressiveness is Jake's signature and he looks to assist the Trojan secondary this fall. A solid route runner and a great blocker for a great season from Jake this fall.

oins the Trojans linebacking corp this fall bringing amazing power and strength to his position. Bench pressing over 400 size is an amazing feat. A devastating hitter, Zach is fighting for a spot at inside linebacker and will play a valuable roll on special teams as well.

n returns as a two year starter at outside linebacker for the Trojans. A hard hitter with good game savvy, Damon brings experience and leadership to the Trojan defensive squad this fall. Should see significant special teams responsibilities as we

...rning letterman at strong safety, Joe looks to gain the starting nod at that position this fall. A heads up player with good...  
...lds valuable experience to a young Trojan Secondary.

n has had a great off-season and summer as he prepared for the 2007 season. Always doing all he can, he is competing for the starting position as a receiver for the Trojans this year. Landon is another Trojan with strong academic standards.

makes the move from strong safety to free safety this fall to shore up a young Trojan secondary. A starter last season at and a solid tackler with a great knowledge for the defensive system, Zach will be the leader in the secondary this fall.

o the Trojans this fall, Billy is working hard to learn the defensive schemes and fight for playing time at defensive end. A  
nt who works hard both on and off the field.

is a another dedicated Trojan who has had a very good off-season and summer. He will be competing for a starting position in the Trojan offense. Ryan is yet another fine example of a student-athlete.

returns with valuable varsity experience as a place kicker this fall. He has worked very hard in the off season to improve his technique and accuracy and will be competing for the starting kicking job this fall. A mountain of potential as a place kicker.

an program player by definition, hard working, dedicated and in position to win a starting job at defensive end this fall. V  
through off season shoulder rehabilitation and is in the best shape of his career. Look for great things from this Trojan de  
his season.

Starting starter at center, Kris returns for his senior campaign in great condition after working hard in the off season. A few weeks lighter and a lot stronger, Kris brings a great knowledge of the Trojan offensive schemes and leadership value that will help the offensive line a great unit this fall.

has worked hard and put himself in position to win a job at offensive tackle this season for the Trojans. A great work ethic and knowledge of the game, Kevin is a great young man with solid leadership ability and pride.

at young man who has worked countless hours to prepare for his senior season at inside linebacker, "Bert" even spent the spring in track working hard on his speed and conditioning. A true Trojan who wants to see our team succeed.

an outstanding junior season at nose guard, Lyle returns with valuable experience and intensity for our Trojan defensive unit. As an effective and athletic defensive lineman that simply makes big plays with his great effort and love for the game, Lyle will be a key player in the middle this fall.

is a Jenks Trojan through and through, although a little undersized for a lineman, Adam makes up for it with a tremendous work ethic in the weight room and on the practice field as well as great intensity on the field. Adam splits time between offensive and defensive end and adds quality depth to both positions.

...rning starter on the offensive line who now splits time at defensive tackle as well, Cory brings great athleticism and inten... positions. Cory's enthusiasm for the game and his passion on the field make him a passionate leader for our team.

After a tremendous off season, J.C. makes the Trojan weight lifting board in several categories and is ready to win a starting job on the offensive line this fall. An outstanding pass blocker and strong athlete, J.C. has waited his time to play for the Trojans. Look for a big season from J.C. this fall.

n has a great frame for an offensive lineman. Tall, with a large arm span, this is a real plus for an offensive tackle. Jordan  
great off-season and summer. He will add even more competition for our starting line for the Trojans this year.

1998. Vince is a first year football Trojan this year. He has been a standout in basketball for several years. He adds a positive contribution to our offense with his 6-7 height. The Trojans are looking forward to the play Vince will add to the Trojan offense.

Payton is a hard working Trojan who has had a great off-season and summer. Payton will not only help the Trojan offense at tight end but also serves as a short and deep snapper for our special teams. Payton will also contribute with his natural leadership abilities.

### **Blake Edwards #96**

Blake is a new Trojan for our 2007 season. He moved from another school and will create a high level of competition for our kicking game this season. Blake kicks off of the tee as well as a punter. He is a great example of a student-athlete as he excels in the classroom as well as the playing field.

is a unique athlete with his size and athletic ability. Tony played with the varsity as a freshman and started as a sophomore. He can truly dominate the line of scrimmage. The Trojans are looking forward to Tony having the best year ever as a
