A Promo Slide

They were used occasionally to break up the rather mundane promo's we normally used.

Chris Noell was an AFRTS Radio personality. Her show aired every night and was enjoyed by all who could hear her. I was told by a 4th Division LRP that they snuck up on some VC one night while they were sitting around the fire listening to Chris' show. Unfortunately for them they were not around to hear the next morning Dawn Buster show! Chris is now working with veterans in Florida.
