

WORLD WAR III

STAGES OF THE ISRAELI-ARAB CONFLICT UNFOLDING

The purpose of this illustration is to highlight possible scenarios of what could lead to the coming WW3 based on the coming prophesied Muslim-Jewish war. The key players, nations and strategies are identified and considered in the simplistic of forms. This is only a suggestive rationale of what it could look like geo-politically on a map against a timeline of key dates/Blood Moons for Israel. The timeline is mathematically pegged to an approximate phi ratio of time from the accounts of the books of Daniel and Revelation. If 1966 marked a JUBILEE YEAR with the liberation of the Old City of Jerusalem during the 6-Day War, then the 50th Jubilee Year (2015) or 5776 could mark a significant Biblical fulfillment of a major regional war with Israel. The Stages of WW3 are to include the 1) the Isaiah 17 destruction of Damascus 2) The Psalm 83 War and 3) the Ezekiel 38-39 War, the 1st Gog-Magog War.

THE SATANIC STRATEGY In *The Mystery of Freemasonry Unveiled* Albert Pike, the 33rd degree Mason disclosed plans for 3 planned World Wars that were seen as necessary to bring about their Luciferian NEW WORLD ORDER (NWO) and the return of their 'Master'. To them, their Christ is Lucifer -the 'Anointed Cherub' that needs to rule Earth and initiate their 'GOLDEN AGE'. The 3 World Wars were/are designed to incrementally 'exterminate Christianity exclusively by exhausting the nations so militarily, economically, socially and religiously' that their NWO Leader to come on the world scene will be seen as 'Savior of the World' filling in the vacuum as Christianity is criminalized and decimated. WW3 will be a physical manifestation on Earth, centered around Jerusalem of the spiritual conflict the Bible declares that the LORD, GOD of Israel is engaged in. YHWH has a Plan to bring the True Anointed One, Jesus Christ to rule the Earth from Jerusalem as the True Savior of the World. This final showdown will lead to the military Battle of Armageddon.

THE MILITARY FIGURES
These numbers are taken from the amount of full time active military personal. It does not take into account call-up Reserves or Irregulars. Aside from the professional state armies, several pseudo-armies are in the conflict, which in Egypt's case, have won the Presidential Office. They are 1) Hezbollah, 2) Hammas, 3) Muslim Brotherhood 4) al-Qaida. These entities along with various other Islamists-Jihadist mercenary groups have been found to be aided by the CIA, MI-6 and Mossad. The Arab Uprising appears to have orchestrated to topple those Arab nations that have not played accordingly to the Globalist plans to usher in WW3 and NWO.

THE TRIGGER POINT TO WW3
What will be needed to usher in WW3 will be another major FALSE FLAG even like 9-11 in New York. A justification will be sought to blame certain religious groups and/or nation to strike militarily. This "Event" will be the pretext to cause 'Order out of Chaos' that the Luciferians use to further their plans. It appears that the Syrian Civil War might be such a trigger.

THE END GAME PLANNED FOR ISRAEL

According to the Jewish/Christian Bible, it prophetically declares that an inner-ring of a coalition of neighboring Muslim nations bent on the total destruction of Israel will occur. Perhaps this will have been caused by Israel striking Syria's chemical and biological arsenals. Syria appears to be the trigger point by threatening Israel. Israel will employ the 'Samson Option' with a nuclear device in the 1st Stage and to put Iran on notice due to its nuclear weapons program. After the supernatural defeat by the LORD of Israel of the 1st inner-ring Islamic invasion, there will be a 'Confirming of the Covenant' that is already in place, perhaps the Oslo Accords that gave Israel a false sense of 'Peace and Security' and will take down its walls around its cities as foretold in the Bible. At this point, the outer-ring of Muslim nations, Iran with Russia will attack Israel. This will be the Gog-Magog War 1, the 2nd Gog-Magog War will be after the 1000 Year Millennial Reign of Jesus Christ at His Return to Earth.

STAGE 1: ISAAH 17 DESTRUCTION OF DAMASCUS

Syria already has a defense alliance with Hezbollah. Syria is positioned to launch biological/chemical attacks on Israel. Syria retaliates from defeat of NATO-Jihadist mercenary coalition backed by Obama and CIA and to divert attention from its internal civil strife by attacking Israel to muster Arab-Islamic nationalism.

These Jihadist are and will destroy the minority Christian and Alawi religious communities. The rebel forces are aided and supported by the West/Obama as they destroy slaughter the ancient Christian community and release nerve gas to foster a 'moral' justification for attacking/toppling Assad.

Israel will most likely use the 'Samson Option' out of self-preservation. Israel destroys Damascus. The world drops support for Israel. If you see the military discrepancy of the 7 Muslim armies vs. Israel, that will go nuclear. This is World War 3.

STAGE 2: PSALM 83 WAR ARAB CONFEDERACY

As the world will condemn Israel, the coalition of inner-ring Muslim nations will strike at Israel to once and for all, 'wipe Israel of the map'. As in all the prior major Muslim conflicts, of 1948, 1953, 1967, 1973, Israel will prevail and expand its territory.

- ARABIA**
-Ishmaelites: decedents of Arabs
-Amalek: decedents of Arabs South of Israel
- JORDAN**
-Edom: decedents of Esau Palestinian
-Moab: decedents of Lot Palestinian
-Ammon: decedents of Lot Palestinian
- EGYPT**: Hagarenes, and some decedents of Iraqis
- LEBANON**: Gebal, inhabitants of Tyre /Hezbollah
- PALISTINE**: (GAZA): decedents of Philistines/Hamas
- IRAQ**: Assyria, possible Syrians and Northern Iraqis

STAGE 3: EZEKIEL 38-39 RUSSIAN-IRANIAN INVASION

There is a temporary false 'peace' due to the destruction of the inner-ring Muslim countries by Israel. Israel, having a false sense of 'Peace and Security' will live in 'un-walled cities'. Taking opportunity, Russia comes from the North acting on military pacts with the outer-ring Muslim nations. (Iran, Turkey, Libya, Sudan, Central Asians)

GOD puts a 'hook' in their 'Jaw' to bring them down to as they seek to plunder Israel's goods. If you follow the Russian fleet maneuvers from the Black Sea port to Israel, it will make a 'hook' sailing pattern to Israel. It will be during a time when Israel is at rest and dwelling securely with no walls around cities.

This 1st Gog-Magog War 1 is stopped by YHWH miraculously in defense of Israel. (Zachariah 14:12) It will take 7 years to burn the weapons and 7 months to bury the dead. There is a possibility that the prior Psalm 83 war set the stage for the 7 year-Covenant as it would set the stage for the 'Peace Treaty' to be confirmed by the coming Antichrist and with the Many. It might be that the possible start of open hostilities to occur sometime in late 2015 or 2015 (5776) as Iran is pressing forward with nuclear warhead program.

Perhaps it will be such a scenario that the New World leader to emerge, aka AntiChrist will take credit for the supernatural deliverance of Israel against all odds. It could be speculated that this 'Covenant' will be for 7 years that could start along with the Year of Jubilee and the dedication of the 3rd Jewish Holy Temple.
