

Dear Family,

Please accept this kit as our gift to you and your family to help you commit God's Word to memory. Our hope is that together we can become a Word 511 congregation, which does the following:

**5 minutes** – spend 5 minutes each day memorizing Scripture in your home

**1 verse** – memorize one verse a week as a congregation

**1 person** – tell at least one person about this verse outside of your home

Enclosed you will find various resources to help you along the way.

**Weekly Memorization Trackers** – each week we ask that you track how many minutes a day you spend memorizing Scripture. This could be in the car, during breakfast, before bedtime, or whenever you've got some time in your day. Track these minutes and turn them in by the Word 511 Campaign Wall each week. Our congregational goal is to spend 15,000 minutes memorizing Scripture over the next 3 months!

**Verse of the Week Card** – place this sheet of paper in a 5 x 7 frame and use a dry erase marker to change the verse of the week. Put it in a place where you will see it daily – it is a great visual reminder for our challenge!

**WORD 511 Bookmark** – this bookmark is intended to remind you of the meaning of Word 511. Put it in your Bible and bring your Bible to church with you! I will be reminding you to move the bookmark to the new verse each week!

**Also enclosed in this kit:** Verse of the Week calendar, other good verses to memorize

We are excited to embark on this challenge with you as we strive to be a Word 511 congregation!
