

# ACSA STATE CHAMPIONSHIP

## 8th Annual State Tournament

The ACSA wants to thank Bullshooters for hosting and adding money to our prize fund. Thanks to the whole staff for all their help in making this a successful event.

We started on Friday March 9th, 2012 with the singles event at 6pm. We had a full bracket of eight ladies. Teresa Eibner (Sharks League) won the hot seat with wins over Jodi Hirning, Maria Simonson, and Patience West. After being sent to the one loss side Maria beat Sara Sorg, Claudia Morado, & Patience to come back and face Tresa for the finals. The first set went hill/hill with Mari being the winner and sending the match to the next set which again went hill/hill this time Teresa winning.

In the mens event we had twenty entrants. Richie Daniels (Barefoot Bobs Lounge) won the hot seat with wins over Ken Holgate, Bob Soto, Adam Payan. On the one loss side Bob Soto had wins against Ron Gillette, Ronnie Vires, and Adam Payan. The finals had Richie & Bob in a battle with Richie being the undefeated winner.

On Saturday March 10th, 2012 we started our team events. Because there were only four ladies teams we played a round robin format where each team played all teams and the two teams with the most wins played a final match where it was a usual race to 10 wins for the champion. The ACSA Ladie Team Champoins: Deli Avengers

The mens/open tem event had 5 teams. Barefoot Hot Shots won the hot seat with wins against Deli Champs, 43rd Tavern Rumors, & Runners Collective. After losing the first match Deli Champs went throught the one loss side with wins over GLADD, 43rd Tavern Rumors , & Runners Collective. Once again these two teams faced off for the title. The first match went to the Deli Champ in a 13-7 win, sending the match to the finals. Barefoot Hot Shots got serious and in an exciting back and forth match finally won 13-10.
