 - Saturday, November 8th from 9:00am-3:30pm
- with brunch provided from 11:00am-12:00pm
More Information and Location to Come

The Monroe Spiritual Giftings & Growth Team is a Family-Wide Team that serves the surrounding Community and The Monroe Family of Parishes (St. Mary, St. Michael, St. John, St. Charles, & St. Anne) This is the team that hosted the Lenten Mission this year and plans to host many more special events to come.

Please join us for our next large scale event this November, Called & Gifted.

Called and Gifted is a program used as an instrument to help all who participate discern the spiritual giftings they have been given by God. After the 3-day event, and all they learn through it, our team begins to walk further with them. We provide giftings interviews free of charge. We listen to the stories God gives them to share. And, we help them see which gifts are most likely present and where that may be leading them. The Called and Gifted program was developed to introduce and help people find giftings, but participants often longed for more support and accompaniment after the program ended. The Spiritual Giftings and Growth Team picks up where the Called & Gifted leaves off and walks with those growing in their faith and giftings continuously so that they never lack the care they need.
