Dear Sir/Madam:

Burlington Mudd Dawgs is a youth Baseball/Softball organization which is actively looking for funds through sponsorship or donation. These funds will allow us to continue to provide an opportunity for the youth of Southeast Iowa to participate in a sport renowned for its ability to encourage the development of sportsmanship, leadership, self-discipline and respect for authority in its players. While our team coaches provide their time freely to promote the game, we have necessary expenses such as training equipment, uniforms, facilities, and travel where we seek support from the community to assist us.

We would be grateful if you would consider our request for funding to support Burlington Mudd Dawg's work in our community. Please visit our website at www.burlingtonmuddawgs.com for more information on Burlington Mudd Dawgs and check out the sponsors page where your company's logo can be displayed.

Best Regards,

Amanda Randall
