Weekly Newsletter of the Kiwanis Club of Green Bay – Downtown
KIWANIS MEETING OF March 21, 2022

We had a total of 17 attend Monday's meeting, ten members plus seven quests. Members included Maria, Anne, Ann, Cheri, Ben G, Ben W, Bob F, Rick, Pat, and Bob R. Quests included Eliza, President and Stacy, Membership Chairman of UWGB's Circle K Club. Ben W also brought a family of five, two of which recently attended the YMCA's weekend Youth in Government program which was held at the state Capital building in Madison.

Maria led the meeting and said the prayer. Lunch consisted of a beef tip dinner with Carrot cake for dessert. Happy dollars were provided by Anne, Maria, Rick, and Pat. Rick told us that we have received our first Scholarship application. Eliza updated us on the UWCB Circle K Club. At a recent regional meeting the UWGB club was selected as both the Best social club and received the Club Sprit Award. Our Club won the award as the Outstanding Kiwanis Club for our support of the new UWGB Circle K Club.

Our newest member Ben W gave us an update on the recently completed Youth in Government program held earlier this month at the state Capital building in Madison. This was the first time in twelve years that the Green Bay Y participated

in this annual event. Fourteen students from Green Bay attended this two-day program that involved students from all regions of the state. The students chose to be in either the Legislative, Judicial, and Executive Branches of the state government.

For two days they proposed, debated, and either passed or rejected laws. Students could also choose to be members of the media who reported and published daily news programs each day via newspaper and digital media. The program is open to the students from 7th - 12th grade. The two students that attended talked about each of their roles in the Legislative and Media branch. A great program that Ben plans to continue in his new role at the Green Bay YMCA.

April meetings will be on the 4th and 18th.
