A song written, composed and sung by the Sar-El Women's Volunteers at the last Evening Debriefing. The song was in introduction to the program's 1st ever Sar-El Achievement Award Show. The opening act featured the 'world renowned' 2019, Number #1 Group, the Sar-El Supremes performing their Number 1 'Hit',. Twinke Twinke, Our Sar-El.

Twinkle, twinkle, our Sar-El  
Being with You has been swell

Every day has been a must  
We work all day inhaling dust

At the toilets, its been fun  
Toilet paper there's been none

Twinkle, twinkle, our Sar-El  
Being with You has been swell

Eating veggies, glad I came  
Surely my weight has stayed the same

Every night at all hours  
We can hear the noisy showers

Twinkle, twinkle, our Sar-El  
Being with You has been swell

Noa and Dani have great moves  
Bringing us weather reports and news

All in all, we've made great friends  
Sorry that it has to end

Twinkle, twinkle, our Sar-El  
Being with You has been swell
