

2024 COLLEGE TENNIS RECRUITMENT FORUM

Saturday, August 3rd

12:30 pm – 3:30 pm

Barnes Tennis Center

Our 2024 College Forum will offer players and parents a personal opportunity to meet with college coaches on-site at the Barnes Tennis Center.

We will have tables and chairs inside our banquet room for registered college coaches to meet with players, parents, and private coaches.

Per NCAA rules, the college forum is for rising juniors & seniors only.

We provide a comprehensive player profile to share with all the college coaches on-site, offering valuable support in the recruiting process.

If a player would like to share their profile with the college coaches, they can easily do so by scanning the QR code at the top of the page or filling out the Google form on the Tournament Entry page of the website. This opportunity is open to players of all ages.

Following the College Forum, at 4:30 pm, we have our mandatory opening ceremonies, player meeting, and player party with free dinner and drinks for all the tournament players and their guests.
