### BUS LINE PROCEDURE

When you arrive at the bus you, **PHYSICALLY**, can get in line. You **CANNOT** put a bag, cart or any other object in line to hold your place. You are able to save one seat, which is for the person that will be sitting next to you. You are not able to let all your friends get in line with you. If this happens, your whole group will be asked to get in the back of the line. It is not fair to the people that get there early to sit where they want to sit.

### TRIP PAYMENT POLICY

It has always been our policy that once a reservation is made, payment is required 2 weeks after. Holding unpaid reservation is unfair to everyone, travelers and us included. Again if you have to stop and think if I am talking to you, "yes, I am".

Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace you so that no one is out the money. Please contact us on a one to one basis if you have financial difficulties with this policy.

## TONY'S BLOG

Forest Gump once said, "Life is like a box of chocolates, you never know what you're going to get". When I was a child, I would push the bottom of the candy in to see what it was, if I didn't like it, I would put it back. I wish life was that simple today. As we get older, our choices and the road we take becomes more difficult. Today, The hardest part of my life is choosing the context of each months newsletter. That is perhaps the hardest. There are so many different offerings, shows, tours, and other activities to choose from. I always try to make the newsletter to have something available for everyone. Of course, once the newsletter is completed, there is no trip I would put back because I think they are all great!
