CAREER ENRICHMENT

**EXPLORE INDIA'S EDUCATION SYSTEM**

India is one of the most dynamic and eclectic countries on the planet. Representing diversity in all its forms—people, religions, traditions, clothing, dialects, and habits—this remarkable country links East Asia and Europe, but belongs to neither. India exudes a sense of mystery and promise and this journey focuses on Mumbai and southern regions of this vast subcontinent. Explore India's rich heritage, among the oldest in the world.

#### Program Highlights

- 8 nights / 11-days journey through India
- Check a visit to the **Gateway of India** off your bucket list!
- Interact with **education professionals** from a variety of societies, universities and/or schools.
- **Accompanying guest** program available on this itinerary.

#### Focus on education

- Interact with your professional counterparts throughout India including visits to a **local public school** in Mumbai and government representatives from the **General Education Department**.
- In addition to learning about the education systems of India, focus on how education institutions are dealing with social changes. What are the differences between old colonial practices and current engagement with the west?

#### Focus on the community

- Giving back and engaging with the community is an important part of your journey. You will have an opportunity to **volunteer and engage with local families**.
- We are working with local staff in to provide hands-on opportunities to share and give back to the local people.

#### Program Note

- This journey is part of three groups traveling to India at the same time focusing on the medical, education and legal systems in India. **Some activities, such as the accompanying guest program and transportation, will be combined to keep costs competitive for all segments.**
- Meeting content will be specific to the group you join. Minimum numbers will need to be met to travel each of the three professional focus segments.
