Kids

The mission of our Kids Ministry is to assist parents in introducing our kids to Jesus, fostering that relationship, and providing concepts that shape a biblical view of the world for our kid through games, activities, stories, songs, and crafts.

Welcome to our **worship gathering**! The entire gathering is designed in a way for **God** to speak to us...but our ears must be open and our hearts must be ready to hear His **message**!

Starting with the very first **song** we sing, the **prayers** we **pray**, the **offering** we give, and the **sermon** we hear from the **Bible** we will discover who **God** is and how He wants us to **worship** Him.

These pages are designed to help you better understand the **worship gathering** and all of its different elements. If there is ever a question about something we do or why we do it, be sure to ask your mom, dad, or one of our **pastors**.

BEFORE the **worship gathering** began, I was sure to...

- Have my **offering** ready for when the basket comes.
- Stretch so I wouldn't wiggle during the **gathering**.

I participated during the **music** time by...

- Following others (ex: standing, sitting, singing).
- Trying to sing the words to songs I know.
- Reading the words to the songs I don't know.
- Thinking about the words as I was singing.
