*'For we are not contending against flesh and blood, but against the principalities, against the powers...against the spiritual hosts of wickedness in High Places'. – Ephesians 6:12*

The purpose of this study is to provide a visual display of the 200 Watcher class of Angels that descended on Mount Hermon during the days of Enoch on Earth. It is also to add to the body of research already done on the subject. Mount Hermon is nested in-between the political borders of Lebanon, Syria and Israel. It is exactly 1997 nautical miles to the Equator from the summit where there is presently a U.N. Radar Station. It is amazingly 33 degrees from the Equator and 33 degrees east from the Paris Meridian Line. It is exactly 333 miles to the summit of Mount Sinai in Arabia and 365 miles to the Great Pyramid in Egypt. As one can sense, the site is tied to Sacred Geometry, Sacred Knowledge and Sacred Vows.

The topic of these 200 Watchers has a direct impact on why the Flood of Noah happened and how they helped to impede the Children of Israel from possessing the Promised Land afterwards. This phenomenon is also a metaphor of the real 'wrestling' that is occurring presently due to the effects of such demonic and Luciferian workings that are pitted against the Body of Christ on Earth presently as result of the disembodied spirits of the Giants. This is why if one thinks such a narrative was the work of fiction or mythology, think again. The issue with the Fallen Angels was resolved at the Cross of Calvary. However, presently such are still working against and are opposed to the Body of Christ whom it is 'wrestling' with until the return of Jesus Christ.

The core of the research into the origins and makeup of the 200 Watchers for this study comes from the works and investigation primarily of Robert Graves and Raphael Patai, Hebrew Myths: The Book of Genesis and Archangels and Angels by Ellen Lloyd. Why is this information important? It is important concerning the Last Days because Jesus mentioned that such conditions would exactly exist as they did in Noah's day. This included the state of morality or lack thereof, the issue of marriage and the hybridization of humans with Fallen Angels, etc. There would be a dichotomy of 'things going on as normal' in the everyday lives of people. Yes, but there would be also an un-supportable level of thievery, immorality, murder and violence taking place. There would be also a mockery of the Gospel of Jesus as it was with Noah. There would be deception, apostasy and severe persecution. Also, that during the coming Tribulation Period, this same Fallen Angel class called the Watchers that are presently bound in prison in the Earth somewhere are to be released from their 'Prison Pit'. They are to surface on Earth and be used as instruments of judgment. What horrors await a rebellious Humanity.

## **'Guarding Angels'**

According to research, Watchers come from the notion that such celestial 'Sentinels' were to be watchful over Humanity on Earth. In the Greek, such are called ἐγρήγοροι, which translates into Grigor as in Gregory for example. Later on, their prodigy was referred to as the Titans, etc. Then in the Hebrew, they are called the Iryin from the root to awaken or those that are to guard as in 'Guardian Angels'. Yes, they did exist and do. Apparently there are 'Good' Watchers and 'Bad' Watchers. In essence, Watchers can be alluded to the Angelic Beings as depicted in the Bible in general. However, the Bible as well as other books attest that during the days of Enoch, 200 of the Watchers specifically conspired to rebel against YHVH and descended to Earth for the purpose of mating with women and to teach Humanity the Sacred Arts and Forbidden Knowledge.

This was clearly against the 'Prime Directive' of YHVH that instead such were to teach Humanity about Holiness, the Law and Virtue. Many Biblical scholars debate the real cause and motivation behind such an Angelic conspiracy. Some suggest it was a 'payback' for YHVH having ousted their fellow Angels in the Luciferian Rebellion. Others believe they became enamored with the physical beauty of Adam's daughters on Earth and with good reason. But as Adam found out with Eve, human women became the source of their downfall also. So be it. It is rather interesting why they chose Mount Hermon to be the place of the execution of their plan and their base of operations. It is in proximity to the Promised Land that would later on play a part in how they essentially fortified the area with their 'Spiritual Gates' as 'Strongholds' in a sense to prevent the future conquests of Canaan by way of Moses and Joshua, who were types of Jesus.

The hybridization of the humans to produce Giants, specifically was designed for that area; none other on Earth originally. It is speculated that once Moses and Joshua commenced the conquest of the Promised Land, some of the Giant or Nephilim races as they became to be called escaped to other parts of the world. This is why to this day, most if not all of the ancient civilization of the Americas, in Africa, Asia have a common source narrative of how their civilization was started or fused with the arrival of the Giants. For example, in the Mayan and Aztec source records of their origins, it is believed that the Feathered Serpent came on a 'Serpent Ship' of fire from the east and was accompanied by a race of black giants. It is astonishing that in Mexico, for example the first and earliest known civilization was the Olmecs on the Veracruz coast.

This is the area where the giant basalt head are found that surprisingly do have Negroid features, just as the mythos states. Thus, could the size of the heads actually be in proportion to how tall the Giants were? This narrative is also corroborated in how in the Sumerian Texts, it was Enki that left the mines of Africa along with the black Giants escorts for what is now known as the Americas and promised to return in the End of Days. Specific to the Mount Hermon event, there were 200 Watchers that left their 'Stations' or places of 'Abode' in Heaven and come down to Earth. Evidently, the 'guarding' and 'teaching' of the human race was then done in some mysterious way other than a physical manifestation perhaps. And the question then comes up that obviously the Bible and other sources clearly state that such Angelic Beings took-on or were capable of inter-breeding with human women.

## **A Heavenly Conspiracy**

The sexual union between the 200 Watchers and human women then produced a hybridization of a part Angel and part human being, which is amazing. Physically they were 'Giants' in comparison to the average size of a normal human. This type of forbidden union was called the Nephilim, although there is some debate as to what that really meant and who were they ascribed the name to. Some believe the Nephilim were those 200 Watchers. Nonetheless, the illicit union of such produced Giants that terrorized Humanity. They were evil in all that they did and were. These then became the stuff of the legends that many ancient civilizations wrote and passed-on through oral tradition and written accounts such as in Genesis 6 that Moses wrote.

Aside from the Bible, there are other primary sources that attest to the same narrative. There is the Book of Jubilees which adds further details about the Watchers and are called 'Sentinels'. Some are also mentioned in the Book of Raziel and the Zohar. Then there is the Book of Daniel that mentions the Watchers on 3 occasion dealing with the issue of King Nebuchadnezzar. In this specific case, the Watchers were the 'Holy Ones'. However, the primary source that has the most rich interpretation and details of such Watchers comes from the Book of Enoch. There are actually believed to be 5 books that comprise the 'Book of Enoch' and there are then said to be 3 versions of them. Although it is not considered 'divinely inspired', it was considered a primary source of knowledge, enough so that the Apostles quoted it in the New Testament. However, in the Ethiopian Orthodox order, the Book of Enoch is incorporated into their Canon or 'listing'.

The Books of Enoch do refer to both good and bad Watchers but primary focuses on the rebellious ones. The 1st Book of Enoch devotes much of its attention to the fall of the 200 Watchers. The 2nd Book of Enoch addresses the Watchers who were in the 5th Heaven where the conspiracy was said to took place. The 3rd Book of Enoch focuses on the Watchers that did not join the conspiracy of Mount Hermon. As to the 200 Watchers that conspired on Mount Hermon, they are said to have later-on pleaded with Enoch to intercede before YHVH. In those days, apparently humans could deal directly, face to face, sort of speak with YHVH and not die. Although the 200 Watchers had remorse as to their conspiracy but only because of their sentencing, Enoch was not able to 'convince' YHVH of any clemency. The 200 Watchers were sentenced to be 'imprisoned' in the bowels of the Earth until Judgment Day but let loose for a time after 70 Generations.

*'And I Enoch was blessing the LORD of Majesty and the King of the Ages, and lo! The Watchers called me – Enoch the Scribe – and said to me: Enoch, thou Scribe of Righteousness, go, declare the Watchers of the Heaven who have left the High Heaven, the Holy Eternal Place, and have defiled themselves with women, and have done as the children of Earth do, and have taken unto themselves wives: Ye have wrought great destruction on the earth: And ye shall have no peace nor forgiveness of sin: and inasmuch as they delight themselves in their children [Nephilim], The murder of their beloved ones shall they see, and over the destruction of their children shall they lament, and shall make supplication unto eternity, but mercy and peace shall ye not attain.'* -1 Enoch 10:3-8:

## **A.W.O.L.: Absence With Out Leave**

Apparently, the 200 Watchers approached Enoch, the 'Scribe' to mediate on their behalf, and to write out a petition in their favor. God, however, rejected the petition of the 200 Watchers and Enoch is summoned to speak to the Watchers again:

*'Go, say to the Watchers of Heaven, who have sent thee to intercede for them: Ye should intercede for men, and not men for you. Wherefore have ye left High, Holy and Eternal Heaven, and lain with women and defiled yourselves with the daughters of men and taken wives unto yourselves and done like the children of earth begotten giants as sons. And although ye were Holy, Spiritual Living and Eternal Life, you have defiled yourselves with the blood of women, and have begotten children with the blood of flesh, have lusted after flesh and blood as those who do die and perish.'* And as for the Nephilim produced by them:

*'The Giants, who are produced from the Spirits and flesh, shall be called Evil Spirits upon the Earth...Evil Spirits have proceeded from their bodies; because they are born from men and from Holy Watchers is their beginning and primal origin...And the Spirits of the Giants afflict, oppress, attack, do battle, and work destruction upon the earth...And these Spirits shall rise up against the children of men and against the women, because they have proceeded from them...This shall they destroy until the Day of Consummation, the Great Judgment in which the Age shall be consummated over the Watchers and the godless, yea, shall be wholly consummated. And now as to the Watchers...Say to them therefore: Ye have no peace.'*

Based on the account of Enoch, the Watchers were said to look like humans. It is not known if this class of Angels had wings. The Seraphim are the ones that have the 6 wings. The Cherubim have wings and is the class of which Lucifer was one of, and the supreme one as he was the 'Anointed' or Christ Cherub that covered the Throne of YHVH. It is understood that he, Lucifer even had a 'Throne' as he wanted it placed above or higher than that of YHVH's, etc. Back to the appearance of these Watcher class. In the 2nd Book of Enoch, they are said to be taller than the Giants they produced with the human women.

This possess a problem then with the ability to have intercourse with the human women. It could be the case, as some have suggested that when they 'left their 1st Estate', such Watchers conformed to the relative size proportions of that of the humans on Earth for such a purpose, etc. It is the case that even in the Bible, Holy Angels dispatched to help the Followers of Jesus are apparently looking no different than humans. For example, the Angles that appeared after the resurrection of Jesus in the Garden Tomb, 1 was sitting on top of the rolled-away stone that covered the tomb and another stated that 'he is not here, He is risen'.

Then there were Angles that sat at the place where the body of Jesus was laid to rest inside that tomb. Spectacularly, the Book of Enoch even gives detail that the conspiracy of these 200 Watchers occurred in what is called 5th Heaven. This is a new understanding as the Bible only stipulates there being 3 Heavens. It could be the case that the inference is in terms of there being possible levels of dimensions within the 3 main 'Heavens' as there are believed to be at least 10 dimensions reaching up to Heaven itself from Earth. However, in the longer version of this section of the Book of Enoch, it is a clear referencing to 'Adversaries' or 'Satans' in the 2nd Heaven.

## **The Princes of the Air**

There does appear to be some ambiguity as the narrative seems to crossover into the actual Luciferian rebellion that occurred. It mentions that the 'Prince' of the Watchers was an Angelic Being called 'Satanail', which obviously has overtones to the name of Satan, another term for Lucifer. However, presently Lucifer is not bound in 'Hell' or the Bottomless Pit as Semjâzâ, Azazel and the 200 Watchers of Mount Hermon are. Nonetheless, if one ever wanted to know when exactly Lucifer decided to rebel and seek to set his Throne above that of YHVH's, one can know. If such an account is reliable, valid and true, then Lucifer's rebellion occurred during the 2nd Day of Creation. As a result, the 'Lord of Light' cast Lucifer, this Arch-Angel out to 'fly' in the air indefinitely until Judgment Day. The New Testament does call Lucifer, Satan and the 'Prince of the Power of the Air'. Thus, here is a New Testament connection directly linking these Watchers with the 'Prince of the Power of the Air'.

They are evil and still to this day, and the Fallen Angels that were not part of the Mount Hermon 200 conspiracy are nonetheless known as the 'Principalities of the Air, of Spiritual Wickedness in High Places', etc. According to Hebrew lore and oral tradition, it was the Watcher class, called the Iyrin or Irin that were a high order of Angels that sat on the Supreme Judgment Council of the Heavenly Court. Thus, why such have 'Thrones' and are the ones that will be 'vacated' and given over to the Bride of Christ after the Bema Seat of Christ review. It is also when such will be cast out of Heaven during the Revelation 12 battle for the Heavenly Gates of Zion. As to the specific 200 Watchers, instead of following YHVH's protocols, they begin to lust for the human women they saw on Earth as that is where they were dispatched to.

At the prodding of their leader Semjâzâ or Samyaza, they defected or 'left their 1st Estate' to have sexual union with human women and live among men. The conspiracy was led by the Watcher Angel leader Semjâzâ and Azazel. Astonishing, for this 'crime', YHVH thus sentenced them to 'die like men'. This is amazing as it is thought that 'Angels cannot die'. The children produced by these relationships are the Nephilim, savage Giants who pillaged the Earth and endanger Humanity. The outcry reached the ears of YHVH in Heaven and for such a violation, it was decreed that the Great Flood would destroy all life except Noah and his family. YHVH sends an Arch-Angel, Uriel to warn Noah to build a boat to save his family.

They were to start anew, as it were and they did. However, the hybridization of humans continued through the intervention of Lucifer now as a result. The Great Flood wiped-out the Watchers along with all their wicked Giant prodigy. These 200 Watchers were imprisoned in Tartarus as the Apostle Peter teachers. The Book of Enoch states that the 'Grigori are bound in the Valleys of the Earth until Judgment Day'. This is corroborated in the Bible as Jude verse 6 says, 'And the Angels which kept not their 1st Estate, but left their own habitation, He hath reserved in everlasting chains under darkness unto the judgment of the Great Day'. However, the Giants, being partially immortal Angelic beings became disembodied Spirits or what are now the Demons that roam around seeking a body to possess. They are also at the disposal of Lucifer, the Fallen Angels and all those humans in league through the occult, witchcraft and Secret Societies.

## The Watchers

Through various compilation of sources, there are 20 Watchers that are named specifically. However, there is no complete record of all the names of all 200 Watchers. For example, most of the names included in Enoch are not included in other books and so on. Following are the 'Chieftain' Leaders of the 200 Watchers of Mount Herman that are over a company of 10 as in a Squad. It is much delineated in ranks as would an army be. In most cases the names have alternate spellings. The names of their Leaders are as follows. Note that are alternative spelling variations. In this case, the first is used.

1. **Semjâzâ** 1 Leader for a total of (1)
2. **Azazel** 1 Captain for a total of (1)

Chief Lieutenants of 10s: **3 Platoons for a total of (18)** 6-6-6

### **200**

$2 + 18 + 180 = 200$  Watcher Angelic Class on Mount Hermon.  
As a Company-Platoon that makes up 150-300 Soldiers.

Some believe that some Secret Societies are said to be in possession of such knowledge that was inherited from the 200 Watchers, who were led by Semjâzâ but ultimately it is Lucifer, the Bringer of Light who is Prince of the Principalities. What would be such types of 'Forbidden Knowledge' be? Some speculate that it would involve free energy, teleportation, anti-gravity vehicles as common as cars, space travel, life-extension, advanced weaponry and medicine, etc. Specific to what several of the main 200 Watchers taught Humanity regarding the 'Forbidden Knowledge' is as follows.

## **1. Semjâzâ**

*Taught enchantments and root-cuttings.*

## **2. Azazel**

*Taught men to make swords, knives, shields, breastplates, the fabrication of mirrors and the workmanship of bracelets and ornaments, the use of paint, beautifying of the eyebrows, use of stones of every valuable and select kind, and of all sorts of dyes.*

## **3. Amazarak**

*Taught sorcery, witchcraft, and dividers of roots.*

## **4. Armers**

## Star Power

Around Mount Hermon, many of the human tribes took on the Nephilim names of the Giants of which they were mixed with genetically, especially in the Promised Land and immediate areas. Most who read the Old Testament may not realize but most of the ancient site names are called after the Giants that settled there. For example, one of the Nephilim named Arba is said to have built the city of Hebron, called 'Kiriath-Arba'. He is believed to have been the father of Anak whose 3 sons, Sheshai, Ahiman and Talmaj, were later evicted by Caleb entering the Promised Land. Anakim means the 'Long-necked' ones or 'Wearers of Necklaces'. Some are such as Emim which means 'Terrors'. Then the Repha'im which means 'Weakeners'. The Gibborim meant 'Giant Heroes' and this is the class of which Nimrod in some way became through Sacred Knowledge and sorcery. There is Zamzummim which means 'Achievers'.

The following segment deals with how the Watchers and Angels in general were and are associated with the Stars in the Heavens and to 'Star Gates', etc. The Watchers themselves were depicted as 'Gods' who guarded the Heavens and the Earth, the literal 'Star Gates' of Heaven, that being the Golden Gate and the Silver Gate for example. It is also understood that Angels guarded the Gates of Heaven, of Zion. This is corroborated in the Bible as in the last book of the Bible, Revelation depicts Angels or Guardian Sentinels stationed at each of the 12 Pearly Gates of the New Jerusalem, etc. In terms of Astronomy, it was understood that there were 4 Royal Stars known as Lords which were called the 'Watchers'. Each of the Stars or Lords ruled 1 of the 4 Cardinal Points of the Universe.

This knowledge alone flies contrary to the Theory of Evolution for no known information of that degree was available nor obtainable in the natural evolutionary track of supposed homo-sapiens come from a pointless and mindless glob of primordial soup. Thus, the Watchers are associated with the 4 quarters of North, East, South, and West. In the esoteric and occult 'Magic Circles', pun intended. The Watchers are associated with the 4 Elements of Earth, Air, Fire, and Water as well. They are also linked to the Solstices and the Equinoxes, as well as to a specific constellation. For example, the Star Aldebaran in Taurus, when it marked the Vernal Equinox, held the position of 'Watcher of the East'. Then the Star Regulus in Leo, marking the Summer Solstice, was 'Watcher of the South'. Then Antares in Scorpio, marking the Autumn Equinox, was the Watchers to the Gods of the 4 Winds, 'Watcher of the West', etc.

Lastly, the Star Fomalhaut in Aquarius, marking the Winter Solstice, was 'Watcher of the North'. Amazingly, these 4 motifs mirror the 4 Living Angelic Creators that are depicted surrounding the very Throne of YHVH in Heaven. In mystical Hebrew sects, the Watchers were ruled over by the 4 Great Watchers known as Michael, Gabriel, Raphael, and Auriel (Uriel). Watchers are also believed to be Angelic Beings who guard 'Portals' that linked the layers of Haven together with Earth or inter-dimensionally as in 'Star Gates'. Also, in the Satanic occult, evil Watchers are said to be the 'Protectors of the Magic Circle', and 'Witnesses to Rites'. There is more than meets the eye here, or the 'All-Seeing Eye'. This circle has a modern association and inference to what CERN is attempting to do for example as it is the largest man-made 'circle' on Earth.

## Opening the Star Portals

CERN is essentially a 'circle' or 'Portal' of which the Fallen Angels are seeking to 'spring open' this door in which Semjâzâ, Azazel and the 200 are imprisoned at deep in the Earth, but perhaps interdimensionally. Thus, this is why all the Martian Motif triangulations on Earth patterned after Cydonia, Mars are set to astronomical coordinates and alignments and are thus 'fortified' Spiritual Gates or 'Strongholds' that the Bible speaks about. However, the key to open this Prison Pit of the Titans will not happen just yet. Such a 'Key' will not be given, and that will probably be given to Michael who cast Semjâzâ to the Prison Pit. The Bible does teach though that it will be Michael that will spearhead and repel the onslaught of Lucifer's assault on the Gates of Zion in Heaven per Revelation 12 once the 200 'Titan' Watchers are freed, temporarily.

Semjâzâ would then be directly associated with the infamous Apollyon or Apollo of mythology. It is only when YHVH's set time for release will such a 'Star Gate' or 'Portal' be open in such dimensions. It is probably the case that as the years and days approach the 70th Generation, the 200 Watchers below and their fellow Fallen Angels and Lucifer above are eagerly awaiting this day. Why? Lucifer will need all the reinforcement to assault the Heavenly Gates, the Strongholds of Zion in Heaven with. How long are 70 generations? It is a factor of 4900 years based on a factor of  $70 \times 70$  years. How it could possibly be tied to the Tribulation Period is based on the following. If one uses a 360 day/year  $\times 70$ , it would be 25200 days. It is a factor of 2520 or 1260 which are the coefficients of how long the Tribulation Period is to be.

It is a total of 2520 days or 2 halves of 1260 days each. Or is it  $70 \times 120$  Jubilees for a total of a 3500 year difference? Others contend it has to do with 'Enochian' mathematics and thus 1 generation would be based on the Precession of the Equinoxes. In what way? If one applies 360 degrees of a circle to the 'Clock of the Universe', it moves 1 degree every 72 years. Thus, the 'circle' of the Great Year or totality of days would be  $360 \text{ degrees} \times 72 \text{ years} = 25,920 \text{ years}$ . This would be then the equal years of 360 years in 72 segments. In other words, the key would be 72 years to be multiplied by the 70 generation. This total would be 5040 years. The difference would be 960 years from the 6000th year. If 950 years are taken from this count when Enoch was taken after Adam's birth based on the Book of Jubilees, then the year coefficient would be 5990. The Book of Genesis says Enoch lived 365 years before he was 'taken' or raptured to Heaven by YHVH. Perhaps the coefficient of 365 days to a year is the missing key.

One thing is known for sure, the Prison Pit will be opened sometime during the 7-year Tribulation Pried. Why is there a need to release the Titans in the Last Days? The world has become like 'the Days of Noah'. What occurs at these 'Magic Circles' and 'rites' is the worst of the evil-doings of the Luciferians as such rites involve the kidnapping of the innocent to be sacrificed for their blood. The flesh, blood and even feces of victims are eaten in such despicable acts. The rites usually involve sex and torture reminiscent of the union between the Watchers in the human women. Sadly, many women are witches that gladly give their body for such evil purposes and even become 'breeders' to continually provide sacrificial victims to Lucifer, his Fallen Angels and dismembered Demons for such rituals in their 'Magic Circles'.

## Judgment Day

In the occult, it is understood that each Fallen Angel and accompanying Demons at their disposal oversees a 'Watchtower'. These are the 'Portals', the 'Magic Circles' that are 'Star Gates' construed by Sacred Geometry marking and occur in the micro level as well as the macro level. What does this look like? The 'Magic Circles' are in the form of either a pentagram or hexagram. The pentagram serves to bind and hold Fallen Angels and/or Demons in place or in check, controlled. The hexagram serves as the portal or 'cube' chamber construed through its Sacred Geometry. Such motifs are infused with the power of magic that functions as a 'Star Gate' wherein Fallen Angels and/or Demons and even Lucifer traverse through the Heavens and Earth based on sacred ley-lines and energy points.

Thus, the decree by YHVH to demolish such strongholds of the Giants in the Promised Land involved not just the mere physical destruction of a fort or Gate they came across as they conquered the Promised Land. Such physical Gates and fortifications were but a superimposed place of spiritual dimensions. They overlapped into the Spiritual Realm of the evil Watchers and demons that guarded that place and time, as they still do to this day in certain places. As to the judgment of the 200 Watchers, although the 200 Watchers swore allegiance to Semjâzâ, the Leader, it was Azazel who was chosen to show what YHVH thought of their plan. Perhaps it is because Azazel taught more of the Forbidden Knowledge to Humanity than the other Watchers. YHVH dispatches Rafael to bind and throw Azazel into the 'Canyon of Duadel' or Bottomless Pit.

It is amazingly described how the 5 circle rings of rocks is configured at Gilgal Rephaim just south from the base of Mount Hermon. Azazel was said to be then pinned-in with sharp rocks, with his face covered with darkness. Consider that the 5 rock circle rings configured at the Gilgal Rephaim site could thus be acting as if a 'door' in the form of a pentagram that has 5 points. As mentioned, such a Sacred Geometric construct serves to bind, control and confine Demons and Fallen Angels. This might be the case and the place then. As noted, it is understood that these 200 Watchers are imprisoned in the bowls of the Earth called Tartarus and await their release. It is rather fascinating that the place of Gilgal Rephaim is part of the Martian Motif that is adjacent to a long Serpent-Dragon earthen mount configuration as well.

It is striking how in Revelation, the same elements are found and associated with such a release and 'Prison Pit'. This 'Pit' or 'canyon' at Gilgal Rephaim could essentially be the 'prison in the desert'. After all, the site is named for being the place where the 'Spirits of the Giants' are said to be confined or 'buried' there below the Earth. The 5 rock circle rings perhaps are functioning as the door, a 'Portal', a 'Star-Gate' that is covering them with darkness. Then in Revelation, there is how Apollyon and his army of Demons will be released in the Last Days during the Tribulation Period. In fact, the Book of Enoch is written with an astonishing stipulation, that it was to be understood and written for the Last Generation. It would be then that the 200 Watchers were to be released from their imprisonment. In Enoch 10:11-12, it states that the imprisonment was to last 70 Generations.

*'And the LORD said unto Michael: 'Go, bind Samyaza and his Associates who have united themselves with women so as to have defiled themselves with them in all their uncleanness. And when their sons have slain one another, and they have seen the destruction of their beloved ones, bind them fast for 70 Generations in the Valleys of the Earth, till the day of their judgment and of their consummation, till the judgment that is forever and ever is consummated.'*

When is the 70th Generation up? There is debate about what the 70th Generation is referring to and how long is that timeframe. There is also debate as to when does it start and thus, it remains a mystery. However, there are some clues. If one studies the Genealogy of Jesus in Luke 3, it makes it clear that Jesus was the 77th from Adam. Many then suppose that the reference was from Jesus, considering that Enoch as was the 7th from Adam. So, there is some synchronization in this case but the question remains though, how long is then 1 Generation? And from what year of Jesus' life is that count started from?
