

# GFWC Woman's Club Supports FREE YMCA Evening Swim Lessons

The GFWC Menominee Woman's Club chose to make a monetary donation to the YMCA as a result of their 2021 Christmas Wreath & Swag Fundraiser.

Our YMCA received \$4,500 from GFWC Menominee Woman's Club to provide swimming lessons for area youth & to help provide unforgettable experiences for our summer camp. FREE Evening swim lessons will be offered to our community - both members and general public.

Such a wonderful gift that will create lasting impact in our community.

The GFWC Menominee Woman's Club includes a few of our wonderful Y members, and we thank them for believing and carrying out our mission to build a better community for ALL.

Registration is currently open for members. General public registration will open Sunday, May 29th.
