# Out and About with Packards Virginia Swap Meet

Packards Virginia members were out and about in the month of May and were seen all about the Mid-Atlantic

Jon Hatfield's 1940 Super 8 One Sixty alongside Bill Aske's 1941 Deluxe 110 coupe

Area.  
The first event was the annual swap meet at Frederick in the Elks

Lodge on Taney Ave. A well attended event on Friday made for successful parts sales and real finds for seekers of just that certain part.

Although the rain made its way into the area, there were many in attendance.

The cars attending on Saturday were slim due to the incredible wet weather. Your editor was particularly fascinated with Bill Aske's '41 deluxe coupe which he bought in high school and is still in original condition today with low mileage. Inside, our vendors were fielding questions and ringing up sales.

enjoyed lunch at Red, Hot, and Blue followed by the assembly of a Model T on the field. There were lotsa' onlookers and questions from them about our spectacular cars.

The next event was the Fairfax car show in downtown Fairfax, Va. Weather cooperated this time and sun was abundant while not being so unbearably

PV Weekend Wander  
May 27, 2017

On a rain free Saturday morning, stalwart Packards Virginians assembled in Alexandria to begin the planned weekend wander. 9 Packard cars and one Leland-built

Dining room for boarders

Lincoln participating in chronological order

from 1921 to 1957. We were anxious to depart and begin our journey to the famous

in Prince

county for a

memorable

leged guilt of Mary Surratt as one of the accused conspirators in the Abraham Lincoln assassination. The tour was about 2

hours and we learned a considerable

amount about the assassination in addition to how travelers were accommodated along the highways of the times. Mary Surratt had the upscale accommodations for men as well as women. The weather continued to be favorable and we headed off to a nearby Ruby Tuesday restaurant for a casual meal and lotsa' fellowship. Altogether the attendees numbered 21 adults and 2 children.

Cars in attendance are listed below. At the end of the day, it was a great event.

### 1921 Lincoln

Because our event was involving Abraham Lincoln, Bob Montague brought his 1921 Lincoln, the oldest known Leland-built Lincoln instead of his 1932 Packard 900. Since his car was named after the President, we had an almost current artifact. This car has been in Bob's family for 96 years and Bob has owned this car since 1954 and inherited it then to drive daily to UVA before inheriting the Packard. Bob took it on the beltway with the rest of us albeit at 45 miles per hour.
