Vet Tech/Assistant FT

AAHA certified practice looking to add a full time Registered Veterinary Technician to our team. We are a general care veterinary practice treating dogs and cats located in Monroe, GA. We are looking for a motivated, quick learner. We have a hard working and fun team who see the importance of offering compassionate and up to date veterinary care and would like to add individuals who share our vision! Applicant must be able to lift 50 pounds, stand for extended periods of time, be a considerate team member, and maintain a positive attitude in times of stress. Candidate should also be comfortable communicating with, and effectively educating, clients of varying levels of aptitude. Salary for this position is paid hourly and would be based on level of experience and knowledge. Preferred applicant would be an experienced Registered Veterinary Technician (RVT) with a license in good standing in Georgia. We will consider a Veterinary Assistant with a MINIMUM 5 years qualifying experience. Applicant must be able to perform general technical duties and have a working knowledge of vaccines and wellness, common illnesses, laboratory, radiology, dentistry, and surgery.

Licensure Not Required

We offer vacation leave, sick leave, SIMPLE IRA, health insurance, continuing education, scrubs, an employee pet discount, and periodic work parties and gatherings. Please visit www.monreanimal.com for more information about us.
