Subj: **Combined Meeting with Grand County Council**

Chairmen Wilson and Morris asked me to remind you all of the importance of this meeting. The meeting will be held Monday, September 21, 1998 at 7:00 p.m. in the Council Chambers of the Court House. The purpose of the meeting is to finalize and pass resolutions forming the Water & Sewer Service Agency. It is absolutely essential that a quorum of all three District Boards are present.

Over the past week I have had some indications that some County Council members are still questioning the formation of the Agency. A strong turnout by the District Boards to answer their questions should help the Council understand why the Agency has been proposed.

Brent Rose - Clyde, Snow, Sessions, and Swenson, will be in attendance and give an opening presentation to the Council. That presentation will include an explanation of the present Districts and of the Agency.

I look forward to seeing you on the 21st.
