The screenshot shows the HarborWatch ILA Scheduler interface. At the top, there are navigation tabs: Member Roster, Facilities, Schedule Jobs, Messaging, and Labor Order. A red arrow points to the 'Labor Order' tab, which is highlighted. Below the tabs, the 'Schedule Jobs' section is visible. On the left, there is a 'Rated Members' list with columns for member ID, name, facility, and phone number. On the right, there is a detailed view of a labor order for 'Monday November 23, 2015'. The labor order is for 'ADRAIN MSK' at '0800' and 'AGEAN HWY' at '1400'. A red 'U' icon is visible in the labor order header, indicating a pre-built facility. The interface also includes buttons for 'Select Schedule Date', 'Print Dispatch Work Sheet', 'Reorder Facilities', and 'Print All Dispatch Orders'. The bottom of the screen shows a list of jobs with columns for time, date, facility, and job type.
