

All of our in-room guest directories are designed by graphic design artists and can be modified to your specifications. You have two options. A 3 ring binder or a coil bound book with protective poly covers. There is no charge to your hotel. They are paid for with support from local advertising.

Directories will remain in the rooms for 1 year. At the 1 year anniversary CCP will replace any worn or damaged binders free of charge and a new advertising campaign will occur. If there are any changes to the hotel information within the year CCP will make those changes and print new pages to insert into the directories at no charge. The binders are very durable and easy to clean with a wet cloth.
